Hello Everyone:

Are you feeling refreshed after our recent rainstorm? The “great rain” started after our group returned from the visit to the Cheech Marin Museum of Chicano Art and Culture in Riverside. What a feast of color and imagination! We had an excellent docent who was knowledgeable and enthusiastic. It was a great outing for LVHS members.

We have an event planned for **Saturday, November 12th, at 11:00am**. We have a visit to The Old Mill in San Marino, where we will have a docent-led tour, followed by a presentation about the San Gabriel Mission. Attendees can bring a sack lunch to enjoy during the presentation. Please contact Sherry Best at sbest@lavernehistoricalsociety.org or 909/596-4679 for carpool arrangements. You may drive to The Old Mill on your own but let me know so I can keep a tentative attendee list. See the attached flyer.

The “Cruisin La Verne” car show will happen on **November 19th**, and the 1938 International truck will be there in its glory. The car show will begin at 10:00am and end at 4:00pm. Look for the LVHS vendor booth and the Big Ole International. I attached the car show flyer.

We are scheduled for a presentation on **Wednesday, November 2nd, at 4:30pm at the Hillcrest Meeting House**. You must provide proof of vaccination and have your temperature checked when you enter the Hillcrest lobby. Our presenter is Dr. Steven Hackel from UC Riverside, who will speak on the topic of the lives of indigenous peoples during the time of Spanish colonization. However, I have not yet heard from Dr. Hackel about the date change so now this presentation is tentative. Mark your calendars and stay tuned to hear from me. Come support the LVHS!
