Q™ Premium Natural Quartz are products of nature and variation in shade, pattern and color are inherent and to be expected in the material. Color variation within the slab are intended and designed to give a natural appearance. Samples are representations only, and do not necessarily represent the actual characteristics of the full slab. Product will not be replaced due to such variations. Light reflects differently on this brochure than on stone and will affect the way colors look. Colors shown in this brochure will vary from any print media. Please visit www.QfromMSI.com for additional warranty and care and maintenance information.
