DISASTER RESPONSE SUNDAY

Tornadoes. Fires. Floods. When disaster strikes, immediate response is often crucial. But where to start? How should volunteers be managed? What training is needed for good-intentioned groups wanting to serve? The North WI District has a Disaster Response Coordinator to help congregations manage a disaster in their location and support the disaster response of congregations looking to serve. Sunday April 30th is simply a day to become more aware of and support NWD Disaster Response.
