World Day of Grandparents and the Elderly

On July 25, the Church will celebrate its first World Day of Grandparents and the Elderly, which will take place every year on the fourth Sunday of July. This date was chosen so that it will always be close to the feasts of Saints Joachim and Anne (July 26), the parents of the Blessed Virgin Mary.

In the words of Pope Francis,
"The Holy Spirit...arouses thoughts and words of wisdom in the elderly today: their voice is precious because it sings the praises of God and guards the roots of peoples. They remind us that old age is a gift and that grandparents are the link between generations, to transmit to young people an experience of life and faith."
