April Minutes Approved

March Minutes lost when Robs computer crashed. Efforts being made to retrieve them.

Motion made to reaffirm decision to approve \$3600 for electrical work to improve fire safety and lighting.

Shipped a truck of mixed bales, this has been about average of one a month.

Jeff talked to John Cranowski about earthwork for the new proposed fire exit at the rear of the electronics room. John will be by to give an estimate.

Mike will add his predetermination of independent contractor status form to his personnel file. This should satisfy the MEMIC audit.

Discussion of single sort recycling at length will continue for the foreseeable future. Most agree the center should continue to function but will most likely have to evolve with the changes coming in out near future.

Motion made to have June August and October for the next meetings. Motion passed.

Meeting adjourned at 8:30 pm
