**Did you know?** ... in March, Amina and her family became refugees, fleeing their home country because the ethnic group they belonged to were under attack. Amina said, "When we arrived at the camp, the children were sick because of bad weather. My baby was a twin. Her twin died. She got sick because of the rain and cold." During Advent, we are reminded of how the Holy Family themselves became refugees, homeless and dispossessed as are millions of refugees today. Your gifts, your kindness and compassion bring hope and do make a real difference for refugees like Amina and her family. Please keep all refugees in your prayers during Advent
