

CAVORT 2018  
BRIGHT IDEAS  
FRIENDS OF THE PASADENA PLAYHOUSE

The Friends are committed to creating a friendly atmosphere, not only in the theatre, but also by providing outside activities for our volunteers. We have discovered that these outside activities provide a way for our volunteers to make new friends, understand the Theatre, and become more involved.

One of our successful activities is a monthly meeting at a restaurant located close to the Pasadena Playhouse. This is a great way to convey what is going on at the theatre as well as with our organization. We have found that new members attend which is a good time to welcome them, make a social connection and encourage them to become active. Our regular members also enjoy the chance to socialize in a relaxed atmosphere. A drawing for two or three prizes is conducted. Items are donated, or come from the Friends items.

Since this is a monthly occurrence, the restaurant and the Friends are aware of it. Email blasts are also sent out as well as information in our newsletter.

**COST:** None or very small since those attending pay for their own lunch

**COMMITMENT TO ORGANIZE:** The restaurant must be confirmed each month and RSVP from those attending are collected
