

Valley Center
Rodeo Queens
Pageant

April 6th, 2019

Good Evening and welcome to the 2019 Valley Center Stampede Rodeo Queen Pageant!

Each year, young women between the ages of 5 to 27 come from all over the county to compete for the title of Valley Center Stampede Rodeo Queen, Jr Queen, Young Miss, and Little Miss. The pageant attracts young ladies interested in promoting the sport of rodeo and representing the Valley Center Stampede Rodeo that is held over the Memorial Day weekend in May. Not only do these women have to be knowledgeable in rodeo and current events, they have to be able to ride a horse extremely well.

Weeks before the actual competition, contestants are hard at work fine tuning all the skills that they will need in order to wear the crown of Valley Center Stampede Rodeo Queen, Jr Queen, Young Miss, and Little Miss. The Competition actually starts the Sunday before the pageant with personal Interviews with our panel of judges. Then the contestants take a written test that focuses on Rodeo Knowledge, Equine Science, Current Events and Valley Center History. On Pageant Day Contestants show off their Horsemanship Skills with a horsemanship pattern, Flag run, Queens Run, and short Interview Session with the Judges. Later that evening they will model a formal western style dress, give a short speech and answer 2-3 questions. For some contestants, it is their first time to model, speak in front of an audience or undergo an interview. The skills learned during pageant practices can be applied in real life situations as well, such as job interviews and classroom presentations.

The Valley Center Rodeo Queens are awarded such prizes as a custom western saddle and silver belt buckle, crown and numerous other prizes. They also have the privilege of using the coveted Valley Center Stampede Rodeo Queen chaps, which are passed down to the winner each year, to wear during rodeos and parades.

Mistress of Ceremonies

Madison Wagner was born and raised in the small equestrian town of Valley Center, California. She enjoys trail riding, camping, horseback mounted archery, quilting, and roping. In high school, Madison was the President of the local Drama Club, participated in countless productions both on and off screen, and represented her district at the state-level in Poetry Out Loud. In the spring of 2019, she will graduate from Palomar College with two Associates degrees, and in the fall, she will transfer to California State University, San Marcos to complete a Bachelors degree in Chemistry. Madison is

an avid supporter of mental health and will use her education to research and develop pharmaceuticals to treat mental illness. Madison has attended her local Valley Center Stampede Rodeo every year since its inception and has volunteered since she was 12 years old. With both parents serving on the local rodeo committee, rodeo has always been a major part of Madison's life. Madison was the 2012 Young Miss Valley Center Stampede Rodeo and the 2018 Miss Valley Center Stampede Rodeo. She represented her hometown rodeo during their first year as a PRCA-sanctioned event and took the Valley Center title to Miss Rodeo California for the very first time. She is incredibly proud to represent her home state of California and strives to be an exemplary representative of the western lifestyle.

Judges

Brittney Phillips

Brittney Phillips is a twenty-five year old resident of Silverado, California. She began barrel racing at the age of eight, and at the age of fourteen found another passion; being a representative for the sport of professional rodeo. She has represented various rodeos and communities around San Diego County. She went on to be crowned Miss Rodeo California 2017 and traveled the state and parts of the country representing the rodeo and the western industry. Following her reign as Miss Rodeo California, she had the privilege of competing for the title of Miss Rodeo America, where she placed in the top ten. As her way of giving thanks for her unforgettable year, she now serves as the Miss Rodeo California Pageant Director. Since 2015, she has worked for the nation's leading western retailer, Boot Barn, Inc. She

has taken the skill set learned from her years as a rodeo queen and turned it into a career handling sponsorships, charitable donations and partnerships with reputable western organizations, brands and committees for two hundred and thirty stores across the country. Brittney enjoys being a representative for the sport of rodeo for so many reasons. Above all, she most enjoys having a helping hand in growing the next generation of rodeo ambassadors and enthusiasts.

Julie Echeverria

Julie Echeverria resides in Escondido, California. She has had horses in her blood since she could walk. Julie is a well rounded Equestrian and has trained, bred and shown American Quarter Horses English and Western at the Local and National level for over 20 years. She has also ridden and trained Thoroughbreds retired off the track to transition them into show and trail horses. Julie has competed in everything from jumping to trail.

Trevor Osborne

Trevor Osborne grew up in Ramona, California and has always been around horses. He had the interesting experience of being raised by the Rodeo Legend Casey Tibbs and in 1986 Trevor started training and showing Western Pleasure Horses in Chino California. He then went on to show in Hunter Under Saddle and even had some of his horses show at the prestigious Spruce Meadows. Trevor then started to buy and sell polo horses. He wasn't quite satisfied with just this and got into showing cutting horses and now specializes in ranch versatility, cowboy and western dressage, and in ranch riding.

Trevor Osborne is truly a jack of all trades.

2018 Valley Center Stampede Rodeo Queen *Madison Wagner*

It almost feels impossible to put this past year into words!

Humbled, elated, and grateful would be put at the top of the list. This time last year, I was standing on the stage of the Valley Center Stampede Rodeo Queen pageant. I never imagined that a year could go by so quickly. One second I was reigning over our first ever PRCA Valley Center Stampede Rodeo, and the next I was wearing their banner at the most prestigious rodeo queen pageant in the state of California. I could never possibly repay the Valley Center Stampede Rodeo and the community of Valley Center for their love, support, and kindness. I am so overwhelmingly proud to represent my hometown and our incredible Valley Center Stampede Rodeo. The Stampede keeps getting bigger and better, and I can't thank our volunteers enough for all of their hard work and dedication. They put on a phenomenal event each and every year, and any ambassador of theirs should be proud to represent such a humble, selfless group of people. This admiration never

left my mind. Whether I was at a Valley Center Chamber of Commerce Sundowner, a local rodeo, or standing on the Miss Rodeo California stage, I was always so grateful to the fantastic committee and community that got me there.

My year as Miss Valley Center Stampede Rodeo is coming to an end, but my year as Miss Rodeo California has just begun. I am so blessed to have such a supportive, gracious community behind me, and I can't wait to represent my hometown and home-state at Miss Rodeo America this December.

"For I can do everything through Christ, who gives me strength."

(Philippians 4:13)

Gratefully,

Madison Wagner

2018 Valley Center Stampede Rodeo Junior Queen *Kaylee Tate*

Hi my name is Kaylee Tate and I am so honored to have represented Valley Center Stampede Rodeo for the second time, as your 2018 Valley Center Stampede Rodeo Jr. Queen. It has been a year since this crown was placed on my hat and it's been an adventure ever since. From rodeos, to community events, parades... all of these experiences will be cherished for the rest of my life. Not to mention the friendships that have been made, not only after the pageant, but during the months leading up to it. The community of Valley Center has made me feel so welcomed and I have formed a love for this town.

To my court: All of you guys are going places and I feel like I have gained 3 more sisters. Madison, thank you for everything you have done for me and always dancing with me in the back while waiting for our flag or queens run. You are such a wonderful role model for myself, Sam, and Sadie. I will be cheering you on as Miss Rodeo California this year and when you compete for the 2020 Miss Rodeo America title. Sam, thank you for putting up with me for two years now and always making sure no rodeo goes without a Venti Frappuccino. You are so beyond smart and you can ride like no other. And last but not least, Sadie. Thank you for always laughing at my cheesy jokes and always giving the best pep talks to my mares before our queen runs. The rodeo world needs to watch out because you are going to make a huge impact with your riding capabilities.

bilities.

To the Valley Center Rodeo committee: I am so humbled to be working with such an amazing group of people and appreciate all you do to put on an amazing Rodeo.

To Ms. Julie: I don't know how you do what you do, but you always make it happen. With a smile on your face! I appreciate all you do and this would not be the same without you.

To my Friends Family and Sponsors: I wouldn't be where I am today without your helping hands when ever I need it. I am forever grateful to have such a wonderful group behind me throughout this journey.

Lastly to the lady who I owe it all to from waking up at 4 am (with only one eye open) to get me to a parade to going to bed at 1 just to do it all again the next day. Even though sometimes it doesn't show, you don't know how much I truly appreciate you and what you do for me.

This is not goodbye, but a see you later!

Kaylee Tate

Your 2018 Valley Center Stampede Rodeo Young Miss

2018 Valley Center Stampede Rodeo Little Miss *Sadie Helton*

This year has been crazy, but very very fun. One of my favorite things about being a rodeo queen was meeting all the different people at the rodeos and giving them autographs and taking pictures with them. I thought it was a very good experience for me. I loved that I got to ride in some of the rodeos and carry flags. Of course, The Valley Center stampede Rodeo was my favorite rodeo of the year! It was so fun to be able to ride in my own rodeo with all my queens. It let me bond with my horse I got to see what he was good at, and what he wasn't so great at and what he liked and of course I loved spending time with him. I enjoyed all the different events we went to and also the parades. I will never forget riding on the beach in Coronado Island.

My whole life always wanted a sister. Now I have 3! I would like to thank all my queens starting with Samantha. Thank you for all of your funny jokes and your kindness. Even helping me with pinning my hat in and getting some energy in me when I was tired.

Next I would like to talk about Kaylee. Thank you for helping me saddle my horse and always taking me to where I needed to be and watching out for me. Thank you for always being so nice to me. I would also like to thank Madison for always looking out for me and setting a good example for me.

Lastly, I would like to thank Julie for everything. I don't even know where to start. Thank you Julie for being so nice and funny and caring and thank you for being my director. I also want to thank my Mom and Dad for taking me to all the places I needed to go and for helping me with everything. I also want to thank my brothers for letting me borrow their bits and splint boots and just helping me in all. So thank you Hunter and Jace. That is it for my 2018 Valley center stampede rodeo little miss.

Sincerely,

Sadie Helton

Lindsey LaCasse

Lindsey LaCasse is 14 years old, freshman at Valley Center High School. Her devotion to horses began when she was only 5 years old. From her first ride and watching her first rodeo here in Valley Center at the 2013 Valley Center Stampede Rodeo, Lindsey was hooked on anything horse! Since then, she has volunteered each year for rodeo events, including the VIP tent. In 2018, Lindsey did her first run in the rodeo, chasing barrels in the Junior Barrels event. Lindsey participates in softball, gymnastics, dance, and performs regularly with the High School Choir. But her first and foremost love is her horse Mickey, a 20+ year old retired polo horse. Since their partnership began in 2014, together they have participated in several Gymkhana events, Rail Show and SCAQHA and Valley Center Stampede Rodeo barrel events. Lindsey was awarded 2018 Valley Center Rodeo Queen's "Most Improved" contestant last year. This year, Lindsey is truly excited about participating in such an important and iconic portion of the rodeo. Not only is fun, but an honor. Lindsey is currently working with her newest addition to the family, Daisy, a 4 year old AQH and she is looking forward to a future full of rodeo events with her. Once Lindsey graduates from high school, she plans to study to be an Equine Veterinarian.

Emily Chavira

Emily Chavira is a 13 year old 8th grader at Stanford Middle School. She is the second youngest in a family of five. Emily's life begins and ends in Valley Center. Here she spends her time with her best friend, a palomino mare named Missy. When here she fully fills her life long passion for horses. Emily got saddled up and got on a horse for the first time when she was 5 years old, since then there's seldom a weekend you won't find her back in the saddle. When she turned 9 she insisted on riding "that crazy horse", Missy, and the two of them bonded instantly. Missy waited until Emily was ready and in no time at all Emily had that stubborn mare chasing cans. These days Emily can be found doing gymkhanas and barrel racing at local Rodeos.

Emily's plan for her future include pro barrel racing and a trip to Vegas someday. She also hopes to pursue a career in Rodeo Queening to spread her passion and knowledge of rodeo. Someday, Emily would love to have the chance to run for Miss Rodeo California and ultimately Miss Rodeo America.

She instantly knew horses were something she wanted to pursue, and nearly a month later, Biscuit came along. Biscuit is a 12 year old palomino grade quarter horse and has already taken Sanniah places she'd only ever dreamed of. After only 6 months, they were already preparing to compete for their very first rodeo queen pageant. Over the last year, you would've been able to find Sanniah participating in the Valley Center Vaquero Young Riders, rail shows, practicing her roping, and even running barrels at the 2018 Valley Center Stampede PRCA Rodeo. Sanniah aspires to represent the Valley Center Stampede PRCA Rodeo as their Young Miss Rodeo Queen, while sharing her knowledge on the sport of rodeo in her own, and surrounding communities. Her first horse, Angel, with whom she competed in Junior Barrel Racing in the Valley Center Stampede Rodeo two times, was a great "starter" horse. Though Cate still enjoys a relationship with Angel, she "graduated" to her current horse, Savannah, a 16-year-old Morgan Cross, who happens to be the great granddaughter of the famous race horse, Secretariat. She has been riding Savannah for less than a year.

Cate participates in the Valley Center Vaqueros Young Riders and has ridden horses in several parades, including Valley Center Western Days, Coronado, and Escondido. When she's not involved in horse activities, Cate enjoys spending time with her dog, Ellie, and being involved with anything to do with animals. Though horses take up a lot of her life, Cate has also participated in Girl Scouts, gymnastics, and music, and loves playing on soccer and basketball teams. She also enjoys baking, drawing, painting, creating arts and crafts, and climbing around outside.

Hello Everyone!

I'd like to take this time to thank everyone who has supported me during my run for Valley Center Stampede Rodeo Young Miss. This experience has helped me to grow as a person, and without your support, I couldn't have done it! Special thanks to both Pattys at Straight from the Heart, My Grandma and Grandpa, My Trujillo Aunties, My Aunt Tina and Uncle Brian, Auntie Lori and Uncle Dave, my Mom and Dad, My Auntie Jennifer at Tri City Carpet and everyone who gave their time and money to help me along the way. Thank You so much!! I hope I make you proud!

Love,
