BULLETIN BOARD

Wonderful Nanny Available

Our wonderful nanny for the past 3 years, Farida, is available. She is kind and full of love and has 20 years of experience with both twins and singletons and every single one of those references still adores and raves about her.

She is ideal for a family with an infant baby. She has a warm, calm demeanor and is unshaken by crying babies. She will make sure your baby is well-fed, entertained, safe, cuddled, and loved. She will be a reassuring, comforting, and guiding hand for your family. She is the most patient and nurturing woman who loves to keep our girls busy.

She is also incredible at helping around the house with cooking (amazing!), cleaning (my apartment is always spotless), laundry (our clothes are perfectly folded), and general organizing (she has a system for all of our toys and even my kitchen).

Farida is flexible and reliable and eager to help make your life easier. She is never late and never absent. My girls both adore her and she will be deeply missed by all of us. This is someone you want to hire ASAP. I am looking to transition to part-time help and she would like full-time work. We are so upset to say goodbye. She is flexible with start date.

Please feel free to contact me Sara (saratimen@gmail.com) for more details and stories of why we adore her or to contact her directly (Farida 718-593-3088).
