PRE-K LEARNS ABOUT FIRE SAFETY

Chief Ritchie Neal and fire inspector **Leon Stillely** from the Hammond Fire Prevention Bureau along with Maurepas firefighter **Eric Martin** recently visited Mrs. **Jennifer Stewart's** Maurepas Elementary School Pre-K class. The firemen talked with the class about the importance of fire safety, smoke alarms and how to stop, drop and roll if your clothes catch on fire. Fireman Martin brought the fire truck and his turn out gear for students to see how they are used during a fire. Chief Neal and Inspector Stillely gave each student a fireman hat and a bag of fire safety information to take home and share with their family.

FIRE DRILL

We had a fire drill last month. Everything went well. Coach Britany found even a new vocation.

SOPHOMORES CLASS: BACK IN ACTION!

Sophomores quickly are getting back into the action of school after a late start due to flooding. They are an energetic and fun-loving class who are thriving in English II. They are learning how to annotate literature, create story maps, and work together

in groups to present different aspects of the art of fiction. Readings in this unit include lots of unique stories that students are really enjoying. So far, we have read and analyzed stories by W.D. Wetherall, "The Bass, The River, and Sheila Mant," and Charlotte Perkins Gilman's famous, but creepy, story, "The Yellow Wallpaper." Students have also been working on their first essay - a personal narrative, tracing the evolution of their own experiences with literature, as well as completing 3 vocabulary units. The pictures below demonstrate students working on group presentations, vocabulary rap songs, and story mapping.

LEADERSHIP RALLY

A group of selected high school students attended the Jostens Renaissance Back-to-School Tour on Tuesday, October 18. Guest speakers discussed methods to improve school climate and the path to achieving personal success and fulfillment as a high school student. Ms. Yvette Hill and Ms. Laura Blackwell are looking forward to working with students to fulfill the students' goals for themselves and our school through the Renaissance program this year

SURVEY OF FINE ART STUDENTS LEARN THE ART OF BALLET

For the study of the first unit in Survey, seniors learned about the art of the ballet. They had to learn and perform the 5 positions of the feet, a plie', a jump or leap, and a lift. Students were put into three groups and each group had to choreograph a dance demonstrating each ballet skill, then all groups came together at the end for a grand finale. Students also had to paint backdrops and make tutu's out of colorful tulle. They did a great job and it was so fun to watch their final production! I'm sure clips of this will be seen on their senior slide show at graduation on May 19th! Their next project is African-Tribal Dancing - Stay tuned!!

FRENCH CAFÉ 2016—LE CAFÉ DU LOUP BLANC

5th grade students will host once again their French Café this year. The Café will open on **December 8, 2016 at 5:00 pm.**

The goal of the French Café is to raise money to help the less fortunate families of our community by providing them with toys and gifts to place under their Christmas tree for their children. The French Café works by donations and all money raised goes back to the community. Last year, we raised over \$5,000.00 and

we were able to offer presents to 50 children. We hope that this year we will be able to help even more. In the past two years, the French Café has become a school event, with a lot of activities surrounding the café, like the **Silent Auction, Raffle for a Basket, Picture with Santa, An Ornament for A Donation, Santa's Workshop...**

Because of the café success, we can't count just on the generosity of our 5th grade parents anymore to provide us with food, drinks and supplies for the café and activities. During the month of November, we will send a letter to the whole school to ask for donations.

We want to be bigger, better every year. So be ready for more food, more entertainments and a lot of surprises at the 2016 French Café night.

Mr. Fred

AN EVENING OF LIVE THEATER

Senior **Cayla Breland** and Junior **Rebecca Weir** enjoyed an evening of live theater during a recent showing of *Evangeline the Musical* at the Theater Baton Rouge.

Based on Henry Wadsworth Longfellow's epic poem *Evangeline*, the play takes the audience through a musical journey of the expulsion of the Acadians from their farming homes in Canada to the bayous of Louisiana. Along the way the young lovers Evangeline and Gabriel are separated and spend years searching for each other.

After the performance, the Maurepas girls were able to meet the cast.
