NOTES FROM THE PATH OF LIFE

By Peg Leonard

"You are responsible for your own happiness. Circumstances beyond your control may put impediments in your path, but they don't have to be barriers. Finding out how to get around them and continue on your God chosen way is the secret of successful living. (Simple Wisdom)

ADULT BIBLE STUDY

The Adult Bible Study meets every 1st & 3rd Tuesday per month in the Fellowship Hall at 1 pm. On September 6 the class will be discussing Lesson 3, Day 5, "What are you talking about?" How does discouragement and disappointment effect your life with Jesus? On September 13, the class will discuss Lesson 4, Day 1, "I am the Messiah". Who does Jesus reveal himself as being the Messiah? Come join the class on September 6 at 1 pm. The discussion is always lively.

THE MISSION CIRCLE

The Mission Circle is a group of women who meet on the 2nd Thursday of each month at 1 pm in the Fellowship Hall for fellowship and Spiritual Growth. On September 8, the women have asked Tammy Allen to tell us about her mission work at the Red Bird Mission. Pat Polochy is the Hostess.

EASTER MORNING CLOTHING CLOSET

The Easter Morning Clothing Closet (the Clothing Closet) was established to serve the Mattydale area with free clothing & household items. The Clothing Closet has been very successful, serving about 500 people per month. We are in constant need of clothes for Babies, Toddlers, Youth, Men, & Women. The other request is for dishes, silverware, pots & pans, sheets, towels & curtains. The clothing Closet is open Wednesday 6-8, Thursday 10:30-12:30, Saturday 10-12. Items may be donated during the hours Clothing Closet is open OR brought to Brewerton UMC. Thanks to all who donate and volunteer.

COMMUNITY DINNER

The Community Dinner was started in 2012 to reach out to the Mattydale area with a free meal and friendly conversation. The dinner is served on the last Thursday of each month at 4:30 - 6:00 pm at the Path of Life. Thanks to the partnership of PoLM (Clothing Closet volunteers), Brewerton UMC, & Cicero UMC we will continue to feed & chat with anyone who comes to eat. The meal is supported by free will donations made by those who attend the meal and your individual donations. The Clothing Closet is open during the meal. September's meal is still a mystery. Do come and check the Community Dinner out!

"Reflections on Change"

Greetings in Christ,

Change is something we can all relate to, in one way or another. As we enter into the fall season we will soon be bombarded with the reality that summer is over. The engine of new beginnings will turn over and we will be headed straight into full gear again. Soon the heat will break and we will be reminded of the cool breezes of fall and the aesthetic beauty of God's creation as green leaves turn to the familiar colors of Autumn. As I prepare for seasonal changes, I find myself reflective of the changes that we have all gone through together over the past few months. A pastoral change is an interesting time in the life of a church. I want to thank all of you for your welcoming spirit. I have been profoundly moved by your Christian generosity and kindness in these past few months. I am inspired and ready to serve as your pastor!

You may not know this, but Christians aren't always great with change. It is often easier to cling to comfortability than to challenge ourselves with new understandings and approaches. During our ministry together, there will certainly be changes, but I ask that you trust me and I will trust you. We must remember in these moments, that we are here to serve God. And *Together*, we will walk in this journey. The founder of the Methodist Movement and by extension the United Methodist Church, John Wesley, once wrote, "We are always open to instruction, willing to be wiser every day than we were before, and to change whatever we can change for the better." In our journey, there will certainly be moments that you teach me and moments that I teach you. It is my prayer that we are all open and ready for both roles, as they present themselves. When we are all open to instruction and a mutual understanding of our walk together, we will be able to serve the Brewerton community in accordance with God's plan.

Peace in Christ,

Pastor Justin M. Hood

A Message From Your Editor

Lately I've been watching videos on "You-Tube" of old time gas engines. As I was watching these videos my mind went back to a time when we used one of these engines to cut wood for fence post and firewood. The old engine we had was one that my grandfather had bought back before my dad was born. And I remember very well that beginning from about mid to late September, the gathering of wood for the woodstoves rose higher on the list of work to be done. With any haying to finish, and corn yet to cut, work was dictated by the weather. Even in the years after the livestock was sold, gathering the firewood continued to be on the list of work to do. And ironically, cutting firewood with the old buzz saw and gas engine was one of the things I enjoyed doing. Watching these videos, I find myself smiling as I vividly recall my dad going about checking, oiling, greasing, adding water and gas, preparing to start that old engine. It took a little time to prepare but then came the moment when dad would "start" that engine using one hand to choke and one hand to turn the flywheel. After a few turns, the first "pop" would signal its willingness to start. A few more turns and there was "pop", then another "pop", and then it would be running. With no work load on it, the simple governor kept it firing just enough to keep it running. Pop - pop - pop - then the "shew - shew - shew - pop - shew - shew - " Putting a "log" on the table and pushing it through the saw, put a workload on it, "pop - pop - pop - pop - " now add the sound of the saw "singing" as it cuts through the log. Once threw, repeat, over, and over, until your done. Many an afternoon was spent helping my father with the wood. A good many of those afternoons was a family "event". Surprisingly, even for many years after I had left home, I (and even my sister) would come and help "buzz wood". Somehow we have come to think of it as a fun thing to do. Of course we always made sure we were done in time for dinner. In the latter years, if weather permitted it, we would cook on the grill. I always seem to have a good appetite. And latter that night, I usually slept quite well.

It's been a few years now since the last time my father has "buzzed wood". And likely he will never do it again, which means that I may never "buzz wood" either. Yes, September was full of things, starting school, finishing the hay, starting the corn, the beginning of fall, but using that old "hit and miss" gas engine really stands out and makes me smile.

The Dash
by Linda Ellis

I read of a man who stood to speak
At the funeral of a friend
He referred to the dates on her tombstone
From the beginning to the end
He noted that first came her date of her birth
And spoke the following date with tears,
But he said what mattered most of all
Was the dash between those years
For that dash represents all the time
That she spent alive on earth.
And now only those who loved her
Know what that little line is worth.
For it matters not how much we own;
The cars, the house, the cash,
What matters is how we live and love
And how we spend our dash.
So think about this long and hard.
Are there things you'd like to change?
For you never know how much time is left,
That can still be rearranged.
If we could just slow down enough
To consider what's true and real
And always try to understand
The way other people feel.
And be less quick to anger,
And show appreciation more
And love the people in our lives
Like we've never loved before.
If we treat each other with respect,
And more often wear a smile
Remembering that this special dash
Might only last a little while.
So, when your eulogy is being read
With your life's actions to rehash
Would you be proud of the things they say
About how you spent your dash?

What’s New in the Pantry??...

School Supply Distribution

Thanks to the efforts and generosity of many church, neighborhood and community groups, we have two tables loaded with a vast assortment of school supplies that we are distributing to students in Pre-K, Elementary School – K to 5th Grade, Middle School –Grades 6 - 8, and High School, Grades 9 - 12. The choir room has been converted to our school supply distribution center with: pencils, pens, crayons, markers, colored pencils, erasers, pencil sharpeners, rulers, glue sticks, paper, notebooks, composition notebooks, binders, folders, storage boxes and MORE!. Thanks to an overwhelming show of support for our young students through your generous donations, they will be able to begin the school year with all the tools they need to succeed.

Volunteer / Student Recognition

As the summer comes to an end, I’d like to recognize and give thanks to an energetic and eager group of teens who volunteered more than 20 hours during their summer vacation to perform a variety of tasks in the food pantry. They are Amy, Zach, Alex, Kenzie and Katie. We thank them for their service and wish them well in their studies. Our pantry is blessed with a great group of volunteers, from 9 to 39++ who make it possible throughout the year to serve our clients every Tuesday & Thursday. I was reminded just how amazing our team is when I took an extended vacation this summer, missing two Tuesday and three Thursday pantry days, a Food Sense distribution and a Food Bank Order. Thanks to all the volunteers who take the time to help those in need week in and week out. We couldn’t do what we do without the support of many.

Pantry Blessings

We received a check in the amount of \$1,660 from the GM Kruzzers Car Club for their participation in the 2016 Syracuse Nationals Car Show. A LOUD “Shout Out” to pantry volunteer Terri Reardon & her husband, Ron, for securing the donation for our pantry through their support of the Nationals.

Throughout the summer, we received donations of food, personal care, cleaning items, school supplies and monetary donations from our church family, the Twilight Stitchers, Don Harwood, members of Divine Mercy & Calvary Baptist churches, the Saddlecreek Neighborhood, the South Shore Rod & Gun Club, the Brewerton Library, the Zumba 4 Missions classes and others. We are blessed to have the support of so many and thank you all for helping to make a difference in the lives of many.

Vacation Bible School-2016, "The Great Bibleland Dig: Exploring the Life of Jesus

During the week of **July 18th**- Brewerton United Methodist Church was transformed into the **"Great Bibleland Dig."** Twenty-six children from our Childcare Program and four from our church family attended the 3-day program to explore the Life of Jesus. As they explored, along with Professor Goodheart and his Camel friend, Malachi and archeologists in training, Jill and Jubba, they learned that Jesus is: God's gift to us, our friend, our teacher, our helper and our savior. A skit each morning helped to bring the daily theme to life as the kids explored the world in Jesus' time - more than 2,000 years ago. The program featured lively music, awesome crafts, exciting & interactive Bible stories, creative snacks, fun games and an Archeological Dig site where the crews uncovered clues about Jesus' life on earth and how they relate to our lives today. The program was held on **Monday, 7/18, Wednesday, 7/20 & Friday, 7/22 from 9:30 a.m. to Noon** each day:

Monday, July 18 - Theme: God's Gives us Jesus

Throughout the week, the children learned about a local not-for-profit organization that provides food and lodging for families who travel to Syracuse in search of medical help for their sick children. The **Ronald McDonald House Charities of Central New York**. sponsored a

“Christmas in July” event to help fill their shelves with essential items for the families. During the week, the children brought in their donations. Together we filled two large gift boxes! The items were donated to the Ronald McDonald House on July 27th. The children learned how great it feels to help make life a little happier for the families of sick children.

During our final session together, the children had an opportunity to put the final touches on our VBS Banner and create a collage of photos to display for all to see. We ended our time together with a special Celebration/Recognition Ceremony, where each of the three crews performed a song they learned for the group and our cast of characters provided a recap of the lessons learned. Each child received a VBS Certificate and photo, was held in the sanctuary for families and friends to attend. A “Tell the Good News Picnic,” was held under the big tent in the church yard. It was a beautiful day to celebrate!!

I’d like to take this opportunity to thank the Child Care Staff and church volunteers for helping to make the week a special one for the children and for me! God Bless you all for sharing your time, talents and energy with the children.
