### Medal Outlook

**Derek Gulotta** is poised to be seeded in the top 3 at 120 and will be the Wildcats biggest threat to take home their first individual belt. **Dimitri D'Orsaneo** also looks to return to the stand after falling one round short the past two years and projects to be seeded solidly in medal territory at 138. **Dom Petrucelli** moves to 152 and should be in the same range as D'Orsaneo. He also looks to return to the stand after falling in the blood round last year. **Xavier Ferizzi** placed 8th at 160 in 2014, but moves to 182 where the field will be wide open with many new additions. Sophs **Ryan Resnick** and **Nick Duliakis** do not project to be seeded but could see the stand with some improvement from their freshman campaigns.
