June 9th Annual parish picnic at Kolping Society

Save the date for our Annual parish Picnic will be June 9th at the Kolping Society. Our outdoor service will begin at 10:15am followed by the picnic. ALL ARE WELCOME!! Bring your family and friends!!!

150TH Anniversary News!

The attractive new banners are hung on either side of the white fence in both parking lots! Our Bishop's visitation will coincide with our anniversary. Bishop Shin will be our visiting Celebrant and our service will be at 3:30pm on September 29th, 2019 which is St. Michael and All Angels Day. A wreath will be laid at the grave of Reverend Cruger the founder of The Church of The Divine Love. A reception and dinner will follow at the Kolping Society Barn. Look out in the bulletin every Sunday for a question pertaining to our history and a prize will be given for the correct answer! We are so proud of all that has been overcome in the last 150 years. Thanks be to God!

"With three growing children, we struggle to make ends meet and to our kids nutritious foods. The local pantry has truly been the answer to prayers. For about a year now, I've been using this service to pick up grocery items such as milk, proteins,

fruits and vegetables. Not only does the food pantry satisfy our nutritional needs as a family, it also satisfies our need to be treated with dignity. Thank you for being an integral part of our lives.'"

ACCREDITED CHARITY

" I am a retired woman and I am no longer able to work. My money does not go very far; it has to go for rent, medicine, utilities and other needs in addition to food. So, I'm very happy that the food pantry is here in my neighborhood. It is a great help to me; I am very thankful for the assistance I am able to receive."

Hello from Sunset Nursery School!

Spring is here! It is so nice to hear the children outside playing in the park again and they are just thrilled to be outside running around and enjoying the fresh air!

We've been working hard all year and during circle time I smile during our lessons because they've all come so far with their skills. Especially the math! And, do you know what the best part about it is? The confidence and love they have for learning. They are so excited to shout out an answer and share what they know...adding and subtracting, more, less and equal, classifying and so much more. It is just amazing.

This time of year is always very busy. We are beginning our year end observations and assessments and we are amazed at the growth in every aspect of their development. One of our main goals here at Sunset, is to foster self-confidence and independence, both being very important for a strong learning foundation. I think it is safe to say, the children are mastering both and we couldn't be happier.

Our fundraising efforts have been terrific this year. We were able to pay for our kinder kicks program and our music program through our fundraising efforts. The children loved both programs and learned so much. Thank you for supporting these "extras" that we love to give them.

God bless you all and have a wonderful spring!
