## No Sports, What's Next?

Obviously, we are currently living in times of great uncertainty. First and foremost, our thoughts are with all of you as we hope you stay safe and healthy in the coming weeks and months.

With the corona virus impacting (directly or indirectly) all of our lives at the moment, sports is probably the last thing on your minds and deservedly so. Health and your families should always come first!

However, for those of you that are in quarantine and need some extra reading material, in this issue you will find pretty much everything you need to get covered for the NFL Draft on Thursday. We have prospect rankings, team needs and our one and only mock draft (listed above).

Finally, for those of you that are already signed up for the upcoming football season, again we hope that this season will be played. If for some reason it is not, then we will handle refund options at that time. Obviously, with the economy taking a major hit, discretionary income will be hard to come by this year and maybe for the next several years.

Therefore, any customer that is already signed up for 2020 football (newsletter or VIP) will be automatically enrolled in our "grandfather" program. The "grandfather" program means that no matter what price inflation rates are in the coming years and decades that we are in business, you will never pay more than what you paid this year for our services. For example, if you paid \$79 for this year's newsletter. That will be the cost of the newsletter next year. It will be the cost of the newsletter for you in 2025, 2035 and even the year 2045 as long as we're still here and in business.

Again, our thoughts and prayers are with all of you out there. Stay safe and healthy and we will be talking to you very soon.

Sincerely,  
Brad Powers and Staff
