DESCRIPTION: Great looking and performing recurve. One of the better short hunting bows ever made. This one has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. There is some scratches to the fiberglass limb near the decal (see pic). A few other scratches and scuffs here and there. Overall, this is a really nice bow in excellent condition for its age.
