JUNE 2014

ALAN'S ARTICULATIONS

Ford Mustang: Born To Run, Second To None

Hello Mustangers!

Better late than never they always say. June has been quite a month. All of the car shows and cruises and lets not forget the Rocky Mountain Mustang Roundup. I am sure that there are lots of pictures for all of those that attended. Get us your pictures from the tech inspection, autocross, mountain cruise or the show. Everyone has a different perspective on events. Thank you to Brandon and Gary for all of their work on making the roundup what it was. Lots of work behind the scenes was done. And even a lot right in front of our very eyes. It was amazing how everything came together for the enjoyment of all that participated or attended. And also congratulations to those that brought home awards!

We have our June meeting on the 21st at Mimi's as usual. The Ford Fest is also this weekend at Bandimere. Pikes Peak Speedweek events are happening from the 20th through the 29th. Go to www.pikespeakspeedweek.com for more information. Thunder in the Valley is next month. Remember that we are in charge of the swap meet area. For all of those that volunteered to help with that, please be there. This is the first year for the swap meet so we do not yet know what to expect. More info to follow I am sure. Our summer picnic/meeting in Bear Creek Park in July also.

August will bring the Good Times Car Show and many other events as the summer shows are still happening in full force. Make sure to get your entry form in. Even though we are a host club, we must still register. Bryan Lowry will be asking for parking and judging volunteers as usual. Lets support him on this. If you have ever done this before, you know they need all of the help that they can get.

*Again I apologize for the late newsletter, it is my fault. Terry is innocent. He can only send it when it is complete! See y'all at the meeting! **Until then..... 'Get your motor runnin', head out on the highway....'***

More about the Rocky Mountain Mustang Roundup...

We had a good Roundup, but as normal worked hard Thursday and Friday at the Auto-cross. I did win a 'Snow' water/methanol injection kit, but don't know where I would ever use it as I do not have a 'charged car. Brandon did a good job running the autocross and it was a fun event. Brandon and his Dad Mark had a new course design which gave us a 50 second course that was fast and had a couple of interesting technical bits to it. . After pretty much the same course for the last 4 years, the participants all seemed to enjoy the new course. We had over 200 cars registered, but got through everyone's runs by 4:00 PM.

Sara won an award in the show for her 2010 Convertible GT. I'm afraid my '65 Fastback has too many rock chips. It looks good for an autocross car though. Sara also did well at the autocross and won her class in Ladies late stock. Pretty good for a gal getting over double hip replacement. Steve Fowler did well at the autocross as well and won the Men's Late Street Prepared class. Vonda also won an award with her Green Meany car at the Show. I must have taken some extra vitamins that day as I was on. I won my ESP class and had the 9th fastest time. Only some of the Unlimited cars and a couple of the Cobras got me that day.

I forgot to add that Brandon and his Dad, Mark, tied for second in Men's Fox stock class. Both had identical 51.797 runs driving the same car. Must be a genetic thing.

GOOD TIMES CAR SHOW

By: Bryan Lowry, RMMC member since 1991

I'm in my sixth year as the RMMC planning representative for the Good Times Car Show, and Ross Schwyhart is my backup. The show, every August, raises funds for the Canine Companions for Independence charity, which provides highly-trained assistance dogs for children and adults with disabilities, free of charge. The Companions raise and train their own dogs, and take care of all the dogs needs for their entire life. The 2013 show raised \$7,000, and over the last 22 years, approximately \$85, 000. This year's show is on August 17th.

The show is hosted by RMMC, Colorado Cruisers, and the Southern Colorado Mopars. Usually the Southern Colorado Mustang Club from Pueblo joins us, and helps with day-of-show activities. This is one of only two shows that our club hosts, the other being Roundup.

The show takes place in the picturesque Old Colorado City district, which is an excellent family friendly location. Local shops and restaurants are open during the show, which helps attract show participants and the general public. The show typically attracts 380 to 430 cars of all types and vintages. On show day, we park on Colbrunn Court between Pikes Peak and Colorado Avenues next to Garman Gallery and Bancroft Park.

Planning activities started in February for this year's show. Planning includes soliciting major show sponsors and trophies, parking and exit plans, and judging criteria.

Show day duties include, directing parking, judging, general troubleshooting, and emptying the trash cans along Colorado Avenue before and after the show

Club Code of Conduct

The Rocky Mountain Mustangers take pride in our Club being an organized club with monthly meetings and events. We enjoy having members of all ages participate and show their love for the Mustang, from a new car to a classic car, a show car and a race car, and up and coming cars. We have had numerous members come and go from the Club for various reasons. The Board of Directors does not want to see any of our members treat other members, or potential members inappropriately, with comments or actions. In accordance with our By-Laws, the Board of Directors will ask anyone found causing embarrassment to the Club to resign.

Mustangs are far as you can see
