January 2018 News

Greetings Family and Friends,

Again, Happy New Year 2018! May our Lord continue to bless your community, church, and your family!

Freedom Center was open this cold ... very cold January. The single digit weather drove the power bills to the highest in 10 or more years. We encouraged and comforted the folks as much as possible. FC shared the Good News with different tools and warmed hearts in the frigid temperatures. Throughout the month, more than 300 received free coats, boggans, gloves and other items. We had a blessed time and many folks were bless!!! The Bible reassured personal relationships with family and God. Thank you for continued prayers for our friends!

A preacher shared these thoughts. First, he asked, what does your relationship with God look like? Then after a few moments he said, our relationship with God does not call us to be successful; but to be faithful.

We are to be faithful to our purpose...as Jesus followers, our purpose is to praise Him and share His love the Good News to all people.

As followers, we do not have to go around the world to Africa or Kentucky...but we do need to go to the gas station, grocery store, and other places. We are to pray and GO share our Jesus stories.
