

When our company opened its doors in 1976, the name, Pioneer, was an appropriate choice. America was celebrating its 200th birthday and our business venture seemed destined to have much in common with the experiences of the rugged individuals who carved out their fortunes on the Western frontier.

Those pioneers had a creed;

“The cowards never started.
The weak died along the way.
Only the strong survived.”

Now nearly four decades later, Pioneer Packing, survives and thrives by continuing to push forward in search of new and better ways of serving the ever-changing needs of our customers.

PIONEER

2430 S. Grand Ave • Santa Ana, CA 92705
p: 714-540-9751 / f: 714-428-0291

From our humble beginnings in an 11,000 sq. ft. warehouse, Pioneer Packing now operates out of a 170,000 sq. ft. building conveniently located between the 405 and 5 freeways in Santa Ana, California.

Our standard list of stocked products is geared specifically for the moving and storage, restoration and self-storage industries, but also has application for various retail businesses.

Our customers can generally expect next-day delivery, and while the bulk of our business is done in Orange, LA, and San Diego counties, we also deliver to clients in Las Vegas, Palm Springs, Bakersfield and San Luis Obispo.
