CLASS DESCRIPTIONS

Barre Tone is designed to tone and strengthen. Ballet techniques are incorporated to target lower body and core. Strengthening and toning of the arms and abs will be included. This class will improve overall posture with an added booty lift 😊

Pilates Barre is an hour-long class is a Barre and Pilates fusion. Toning and strengthening your legs, butt and arms, while also focusing on those core "powerhouse" muscles. All the movements within this class are low impact and super controlled to reduce pressure on your joints and tendons.

Cardio Burn Get your toning and cardio fix in the same hour. This class will take you through fun, upbeat cardio songs to get your heart rate pumping AND push you to the burn of muscle fatigue, all with a little dance in your step.

Chair Yoga uses a wide range of Yoga poses and stretches, ALL done using the support of a chair. This gentle but challenging class is designed to increase flexibility, strength and circulation. This is a **Silver Sneakers**/Flex program.

Intermediate Yoga: Get ready to flow from pose to pose a little more quickly, with less time for rest or detailed instructions. This class is going to increase your strength and flexibility and will deepen your appreciation of yoga.

Intentional Barre: This slow paced, 45-minute class will focus to the fundamentals of Barre, being very intentional about form and how the body moves. This class will improve balance, flexibility, body awareness and posture.

Interval Training incorporates strength training with hand weights & body weight resistance. Mixed with cardio intervals, this class perfectly allows you to meet your body where it is, and progress at your own pace.

Fit-n-Flex An extremity challenging and cardio cross training class. We will be focusing on strength and power and getting that heart rate up. Throughout this class we will utilize your own bodyweight, dumbbells, barbells and the step for a well-rounded full body workout.

Pilates focuses on core strength and the other principles of Pilates, with stretching being the final focus. This class helps develop the body by strengthening & lengthening muscles, restoring physical vitality and correcting postures.

Power Yoga is an active and athletic, Western style of yoga. It is a dynamic, flowing practice which cultivates strength, flexibility, balance, focus and endurance. It tones and sculpts the entire body allowing for rapid results.

Restorative Yoga (45-60 minutes) guides you through supine and seated poses to help restore your mind, body & spirit. Emphasis will be on stretching, relaxation and preparing the body for rest.

Strength & Balance will get you moving and get your muscles activated from head to toe, helping develop strength and balance. This class is a **Silver Sneakers**/Flex program.

Stretch and Relax will help stretch out those tired, sore muscles. This class will address major muscle groups for increased flexibility, reduced muscle tension, and overall relaxation from the day (45 min)

STRONG by Zumba combines body weight muscle conditioning, cardio and plyometric training synced to original music designed to match every move.

Vinyasa Flow Yoga is designed to work on linking your movements with your breath in a flowing manner. You will be encouraged to set your own personal intentions to accommodate your own unique practice.

Warm Yoga is a 60 min heated (78-80 degrees) Vinyasa Flow Yoga class. The purpose of this class is to promote perspiration in order to detoxify the body, improve flexibility, burn calories, reduce stress, and improve circulation.

Yoga Basics is designed to guide you through the basics of Yoga, helping to build a good foundation for a practice. Whether it's your very first time or you've been practicing for years, this class is for you.

Zumba is a dance fitness class featuring simple dance moves and music from all over the world! It combines high energy and motivating music to create a dance party atmosphere. It's a fun and effective workout so join the party!

Zumba Gold introduces easy-to-follow choreography that focuses on balance, range of motion and coordination. Come ready to sweat and prepare to leave empowered and feeling strong. This is a **Silver Sneakers**/Flex program.
