

UK Home Office Visa Fees Set to Rise

An Early Heads Up from UK Visa Business Plans

It is that time of year again...

Traditionally, UK visa fees go up in April each year. Almost like clockwork, the UK Home Office published a set of [indicative visa charges](#) for 2015-2016 last week.

For potential [Tier 1 Entrepreneurs](#) who are seeking to use their resources as effectively as possible, every business man and woman knows not to waste their funds on unnecessary extra fees - especially if it can be avoided!

[UK Visa Business Plans](#) work with industry-leading UK immigration lawyers, solicitors, accountants and consultants to ensure their service, news and information are at the forefront of developing, drafting and creating bespoke, tailor-made business plans.

We ensure our plans are commercially viable and

It is **time** for you [entrepreneurs](#) to make a difference this year!
