

NAVAJO NAVIGATION

PROGRAM FOR NEW MEMBERS

This program was developed to make your experience with RWC Navajo Canyon The.Best.Ever! We know that when you join any organization there is a learning curve on getting to know others, becoming familiar with club activities, being aware of volunteer opportunities available, etc.

Once you become a member, someone from our club will call you for a coffee date and spend an hour with you getting to know you, talking about our club, and answering all your questions. She will be your **Designated Navajo Navigator** and your go-to person going forward, ready to assist you with your needs.

Here's what you can expect as a new member:

- 1) We will provide you with a **ROAD MAP** so that you can successfully **NAVIGATE** to your **DESTINATION**.
- 2) We will **STEER** you in the **RIGHT DIRECTION**, not down some **DEAD END**.
- 3) We will be your **CONNECTING ROD** to others in the club.
- 4) We will help you **DISCOVER** new **PLACES OF INTEREST** on your **JOURNEY**.
- 5) We will help you **SHIFT** from **LOW GEAR** to **HIGH GEAR** with activities.
- 6) We will help keep your **COMBUSTION CHAMBER** intact so that you don't **EXHAUST** yourself.
- 7) Don't call **911** when you're **STUCK IN THE ROAD**, call us!
