Dear Potential Sponsors,

Thank you so much for your consideration of sponsorship and investment into our children. This year we have nearly 70 children between ages 6-18 on our girls and boys teams! All of our Twisters have worked hard to maintain and grow their skill sets even through the COVID 19 shutdown.

As you are aware, many families and businesses have been impacted as a result of COVID 19, and this has a direct impact on us as well. We are anticipating many of our families will have financial difficulties, and are working hard to reduce the burden so they can keep their children in the program. This year we are working hard to raise more money to help offset costs for our families. Our goal is to raise \$75,000. This money goes directly towards the costs of meets, and coaching expenses for our coaches to be at our meets.

Gymnastics provides many children a place where they can grow not only as individuals, but also develop lifelong friendships. In addition, they are able to grow and develop essential skills needed to be successful at school and later on as future leaders and members of the community. Your Twisters Gymnastics is home of many champions, including national titles! Our coaches have dedicated their lives to the team, and to ensure that each child is able to reach their full potential. We are dedicated to keeping the program financially accessible to all who wish to participate, in order to do so we rely on our sponsors for support.

As Partners we are committed to featuring you/ your company on our website, links to your business on our website, as well as listed on our sponsorship board in our gym, along with quarterly email updates on our team's accomplishments and fundraising achievements. Sponsors who donate \$1000 or more have the opportunity to have their business banner displayed in a prominent location outside during all of our 2021-2022 home meets with the meet title and sponsored by. We would love to partner with you! It is important to us for our students to see and know that our community members support them in reaching their dreams.

Please let us know what level of sponsorship you are able to commit to, and know how grateful we are for your support at any level.

All sponsorships are considered donations, and are eligible as such for tax purposes.

Thank You,

Beth Nichols, Booster Club President
