## PTO Fundraising Activities

The PTO raises money each year from a variety of fund raising programs and events. The funds collected provide financial resources for enhancing our kid's experience in school and the resources available to them. Each event has a team leader that is the chair of the committee for that event or activity. Some will have up to 10 people planning and executing the event and other are smaller groups. All are important for sustaining the PTO's ability to fund field trips, supply classrooms, and provide books and educational programs.

These roles carry a level of responsibility as they directly impact the ability for the PTO to provide a better educational experience for the kids. These positions are elected by a vote of the PTO board.

Position	Description

Building upon years of materials and organization this event is fun for all of the kids and usually finishes up in October.
<b>Write-a-Check Team Lead</b> (NEW)	<b>Anna Riedel</b> <a href="mailto:anna.l.riedel@gmail.com">anna.l.riedel@gmail.com</a> The Write-a-Check team leader chairs the committee for this new fund raising event scheduled for the winter. Over the last several years the Silent Auction has grown and now we are looking to change the event into something with more accessibility for the families of Elmonica. A creative and collaborative team leader will help define this morphed fund raising effort.
<b>Corporate Volunteers Lead</b>	<b>Jonathan Moons</b> <a href="mailto:jonathanmoons@outlook.com">jonathanmoons@outlook.com</a> The Corporate Volunteers team leader helps to identify and coordinate with Elmonica volunteers that work for corporations (like Nike, Intel, Microsoft, etc) that providing matching funds for the time their employees contribute to Elmonica. <b>Box-Tops Team Lead</b>	<b>Erin Burns</b> <a href="mailto:begburns@gmail.com">begburns@gmail.com</a> The Box-Tops team leader coordinates with volunteers and families to communicate about the Box-Tops program and then collecting and submitting the contributed Box-Tops for reimbursement each year.
<b>Dinners Out Team Lead</b> (NEW)	<b>Becky Fleming</b> <a href="mailto:Fleming.rebecca@pdx.sysco.com">Fleming.rebecca@pdx.sysco.com</a> <b>Steve Bastian</b> <a href="mailto:steve.bastian@gmail.com">steve.bastian@gmail.com</a> The Dinners Out team leader will work with a group of volunteers to coordinate four to six restaurant nights during the school year. Establishments such as Spaghetti Factory, Papa's Pizza, Burgerville, etc provide turn-key fund raising events where a portion of the evening's purchases are donated back to Elmonica. The events are fun and easy and we would like to do a lot more this next year!

## Grade/Classroom Coordinators

The PTO grade-level classroom coordinators are new positions for the 2017-2018 school year. This is an ideal role for a volunteer that likes to be in the school and classroom regularly. The main job of the coordinator is to chat with the teachers in their grade-level to find out where, when and what they might need volunteer help or other PTO support to accomplish. Our Elmonica teachers are very busy so this role is geared to help keep the classroom needs as the focus for our volunteers and the overall PTO efforts! The coordinator will communicate the needs for each grade-level to the main PTO Volunteer Coordinator so that volunteers and other resources can be organized for those classrooms.
