

Hi Friends,

My name is Briana and I am the new manager of Jump! South location. I was born and raised in Austin which is where i've learned all my dancing and gymnastics skills. I started dance and gymnastics when I was 5 and continued both till I decided to dance competitively full time at age 9!

I ended my dancing career during my senior year of highschool in 2016 and began coaching gymnastics while a full time student majoring in computer science. I quickly fell in love with coaching and worked my way up with my experience every year. I've coached everything from recreational with 2 year olds to competition teams of all levels.

My coaching style stems mainly from my experience with coaching team to make sure they are learning to their full potential but my silliness and love for children makes sure they have the time of their life while in the gym. I am so excited to join the team and make so many memories with everyone in the gym!

Fun fact: Yoga and being on the lake are my favorite things to do when i'm not on my computer writing code!
