

THE CARDINAL CROSS

THE ARK OF DELIVERANCE IS READY

A Prophetic Turning Point, War, Alignments and Configurations

The purposes of this study is to illustrate the Cardinal Cross that will reach its zenith on April 23, 2014. This Cardinal Cross, in comparison to most others is very peculiar in several ways. 1) It occurs right after the start of the Tetrad. 2) It occurs in-between the 1st Blood Moon and the accompanying Solar Eclipse. 3) It occurs at precisely 13 degrees from each of the Cardinal Signs. 4) The planet alignments of Mars-Pluto-Uranus-Jupiter will all be 'squared' or at 90 degrees of each other. According to some who study astronomy, the Cardinal Cross will coincide with the Grand Cross. This is rare since it has not happened since a full Precession of the Equinox. Lastly the Tetrad and Cardinal Cross coincides with the start of Pluto's retrograde on 4-14-14.

According to astronomy, the 4 Cardinal Signs are Libra-Capricorn-Aries-Cancer. These Cardinal Signs are not to be confused with the 4 celestial Cardinal Points of Leo-Scorpio-Aquarius-Taurus that are also corresponding to the Biblical 'Sentinels' before the very Throne of the Creator in Heaven as depicted in the Bible. To those in the Christian community in particular that believe that the LORD has prescribed Signs in the Sun, Moon and Stars, the Tetrad of 2014-15 accompanied by the Cardinal Cross is yet another confirmation and emphasis of just how profound the Tetrad is anticipated to be.

The effects of the 4 Blood Moons are speculated to negatively impact Israel, the Middle East and the world at large given the prior patterns of Tetrads that occur on Jewish High Holy Feast days. Even the esoteric community and those bordering on the study of astrology, have also taken note of the Tetrad and the Cardinal Cross as a sure sign that negative 'energies' will be released, affecting the Earth in a negative manner due to the retrograde of Mars, the god of War. The difference is thus the interpretation of such Signs as the Cardinal Cross that to some are omens of doom, to others just a factor of cosmic energy forces that affect Earth and mankind. Apart from the Bible, such Signs are mere symbols that ensnare Humanity to its past as many seek to anticipate a connection and a possible foretelling of the future. There have been many a military general and armies that have waited to consult the stars to wage war for example.

Such a dependency to what is about to happen independent of the prescripts of the Creator is not wise as humans do seek to know the future but apart from the divine revelation already given the YHWH in the Bible. Although there is much discussion of the mechanics of the Cross alignment, most have 'missed the boat' of the profound focal point the Cross alignment is signaling – that the Ark of Deliverance is ready.

Celestial Interpretations

This Sign is not immediately recognized or seen unless one has an intuition to realize what is depicted 'behind' the construct of what is apparent during the zenith of the Cross alignment. What is also needed to be perceived is that since alignments such as the Cardinal Cross in conjunction to the start of the Tetrad are for prophetic Signs and Divine Appointments, the various alignments thus have prophetic meaning and purpose to GOD's People. In terms of possible interpretations of such celestial Blood Moons and Grand Crosses, the evidence is profound based on prior patterns that have already impacted Israel, the Middle East and the world at large, as foretold by Biblical Prophecy.

By some estimation, a prophetic Tetrad has been a scheduled Sign to Israel in particular that 1) war is coming and 2) judgment is pending on the world. What is ominous about this Tetrad in relation to the Cardinal Cross is the number 13. The Cross will be 13 degrees to the Cardinal Points, thus the name. Also the planet Pluto, the 13th celestial body per some counts in the Solar System will begin its retrograde on the Passover eve of the start of the Tetrad.

According to the Bible, the Creator has positioned the celestial bodies in motion to be a time-piece that functions like a mechanical clock. When such celestial bodies configure or align at certain degrees or occur in proximity to Holy Feasts or eclipses, then they are not a random occurrence. Yet some secular scientists would prefer to reason away any notion of a possible Creator being involved. Those within and without the 'scientific' community scoff at the notion that such celestial movements that configure on precise Holy Jewish Feast days and Cross alignments have to do with any divine or prophetic omens or messages and are but mere coincidences. What many fail to realize is that upon an examination of the prophetic Tetrad and Cross alignment history, such will corroborate with the cycles of disasters, war, famine etc., to a degree.

If the prophetic Tetrads that have fallen on Jewish Feast Days are any indication of what is possibly the cycle of its culminating pattern, then war, death and change is coming on a scale not considered normal. This is based on the prior Tetrads of 1949-50 and 1967-68 when Israel was in a state of war that affected its very survival. The message of the Tetrad is that there will be an inevitable change coming upon Israel and a 'turning point' i.e. a 'Cardinal' of the whole of the Middle East perhaps. Based on other research and studies, this Tetrad will be related to the possible rebuilding of the 3rd Temple in Jerusalem and the rise of the AntiChrist, Pluto the god of the Underworld.

As the world has gotten increasingly interdependent, such a drastic change in the Middle East of having a Jewish Holy Temple will have reverberations across the Muslim world. Such an assurance of this event that is predicted to occur sometime during the Tetrad of 2014-15 might be also a victim of a self-fulfilling prophecy. That is, if most are talking about and expecting war in the Middle East or a 3rd Temple in Jerusalem, then it will more likely occur because of their anticipation. Nonetheless these 2 speculations of an 'Ark of Deliverance' as in the Rapture of the Church and the rise of the AntiChrist have been the theme of prior celestial events and hinted at -even through the Illuminati Luciferian Hollywood scripts with such movies as Argo and Noah of late.

Some in the Christian community that are anticipating the Rapture are excited that perhaps sometime during or shortly after the Tetrad is when the 'Blessed Hope' or the Call will occur due to the 'change' ensuing. Based on astronomy, a Cross alignment always signals a turning point as in a change. If the Rapture and the AntiChrist would materialize during the span of the Tetrad, the world will be in for a certain change.

The Focal Point - Argo

Currently there has been a frenzy and talk about the Tetrad and the accompanying Cardinal Cross exactly in-between the first lunar and solar eclipses. This study strongly suggests that the Cardinal Cross is all about the Ark of Deliverance. It is a deliverance from this present evil world that has overtones of the Biblical storyline of Noah's Ark. This is depicted when one realizes what the celestial focal point of the Cardinal Cross is centered on. This center point is Argo, the Ship when configuring a Stereographic universe view from Earth's perspective. Argo is associated with the other signs of Cancer which means 'Messiah's redeemed possession held fast.' There is also Ursa Major, the large sheepfold and Ursa Minor, the smaller sheepfold.

Argo the Ship is referencing 'The Pilgrims safe at home'. Argo is a depiction of a celestial ship or Ark that is made up of multitudes of travelers or 'Pilgrims'. It has 64 stars in the constellation. The brightest star is near the keel and is called Canopus which means 'the possession of Him who cometh.' Other star-names are

<i>Sephina</i>	<i>The multitude or abundance</i>
<i>Tureis</i>	<i>The possession</i>
<i>Asmidiska</i>	<i>The released who travel</i>
<i>Soheil</i>	<i>The desired</i>
<i>Subilon</i>	<i>The Brach.</i>

Many who study Biblical End Times may very well see the prophetic parallels with this depiction of the Ark or ship that is to carry the Pilgrims to safety as the Ark did for Noah and his family. In the case of Noah, once the door was shut by the LORD, Noah and his family were safe as the waters of indignation covered the globe. They were not physically removed from the Earth but were hid as it were in a 'chamber' and they stepped out into a New World Order, a 'paradise' anew after the Flood. Such will be in parallel fashion once the Rapture of the Church occurs but in mirrored fashion perhaps. A verse in Isaiah is often attributed to this possible scenario.

'Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.' –Isaiah 26:20

At the time of the Rapture, the Bride is to be removed from Earth and be kept hidden in the Marriage Chamber of God in Heaven while the Seals of Revelation of indignation are poured out on the world and the AntiChrist that will be revealed at that time. In comparison to Eternity, it will be a 'little moment' as the Bride and Jesus, the Returning King comes back at the Battle of Armageddon to set up GOD's New World Order.

Like Noah and his family, the Raptured Saints upon the 'snatching' away will likewise step out into a New World upon their return to set Christ's Kingdom to co-reign with Christ on Earth for 1000 years. If the Tetrad and Cardinal Cross are indeed marking this coming turning point in human history and specifically as it pertains to Israel, then the Rapture and the disclosure of Pluto, the god of the Underworld, Poseidon, the god of the waters and earthquakes, Nimrod who opposes GOD will soon be revealed, during or soon after the Tetrad.

To reiterate, the Cardinal Cross is demarking Argo, the Ark in the celestial star configuration that depicts the Grand Celestial Ship that takes the Pilgrims home according to the work of E.W. Bullinger. What is unique about this Tetrad is that the Grand Cross adds another layer of prophetic overtones alluding to the Days of Noah. The Message of the Cardinal Cross being so near to the Passover is that the Ark of Deliverance is ready and available and perhaps a 'Last Call' to get in.

Perhaps there will be a 1 year final boarding call as the calls to board trains often occur in comparison as trains are about to depart. Metaphorically, Jesus Christ was that 'Ark' during the Passover on which He became the Sacrificial Lamb to take away the sins of the World at another Cross, that of Calvary in Jerusalem. Could the Tetrad be so clear of a sign for Israel to occur after its Passover to have the Jews take note and look at a Cross and perhaps see YHWH which means, Behold the Hand, Behold the Nail?

Celestial Precedence

This study strongly suggests thus that YHWH is announcing that the 'Ark' is ready; the call is to be proclaimed to enter in through the only 1 and narrow door, Jesus Christ. In an analogy of Noah to the Rapture and Passover, YHWH's judgment passed over those that were under the Blood of the Lamb. It was as if the water of judgment passed over the Ark of Noah. Many in the Christian community will ascribe this focal point of Argo designated by the Cardinal Cross as an emphasis that the 'Deliverance' is about to occur, i.e., the Rapture. This study is not insinuating that the literal Rapture event will take place at the very time of a Tetrad Blood Moon or during of the Cardinal Cross. The Signs are perhaps just a putting on notice of when such deliverance could occur but that such incredible Signs as the Tetrad and the Cardinal Cross have reached their climax and prophetically, the People of GOD should be on high alert spiritually.

This Tetrad is very unique in that not only will it kick off with this Cross alignment but will end on a Shmitah year and on a Super Moon. The odds of having the Cardinal Cross in-between the 1st Blood Moon of the Tetrad and its accompanying Solar Eclipse is beyond the realm of probability especially when the variance of degrees to all the Cardinal Points is 13 degrees and the start of Pluto's retrograde starts on the eve of Passover and Mars is the closest to Earth in several years. It is no coincidence that the Cross alignment is called the Cardinal Cross because it is in reference to it being as a hinge like a door as the crosses in astronomy and astrology are attributed to corresponding to dramatic turning points in human history.

Yet the rationale behind the hype about the Tetrad of 2014-15 is that the prior ones that fell on Passover and Sukkot had a major historical change and turning point for the Jews. The last 2 Tetrads occurred when Israel was inducted into the UN membership. The subsequent Tetrad occurred as Israel regained Jerusalem for the first time since it was destroyed by the Romans in 70 AD. Many are speculating that this 3rd Tetrad will culminate in the rebuilding of the 3rd Temple due to war that will break out during or soon thereafter the Tetrad has passed.

To reiterate, this study suggests that the Creator is making a statement and a point to have the Jews in particular and humanity in general take notice of these Signs directly related to His Passover. There have been many articles recently on this topic of the Cardinal Cross and a good amount of speculation has also been forthcoming. Most speak to the technical aspect or generalization of how a Cardinal Cross comes about but most if all are not aware or have ascertained its specific message other than a speculative of doom and gloom. Pardoning the pun but many are 'missing the boat' in that the Cardinal Cross alignment is referencing the Ark; that the Pilgrims are going to be shipped out to a 'glory that should follow' and that the Messiah's 'Redeemed possession (His Bride) will be held fast' per the interpretations of E.W. Bullinger.

At the same time, the workings of the Dark Lord, Lucifer is hard at work ready to birth his New Phoenix and his New World Order in anticipation for the AntiChrist to take possession of it and later on Lucifer to possess him. This will require the implosion of the Old Order to bring about his 'Nimrod' whose spirit will be that to oppose GOD and GOD's People and stand as the 'christ' instead of Messiah Jesus, demanding exclusive allegiance and worship. Perhaps it has come to such the season of change and of this 'turning point'.

The Cardinal Cross

With respect to the Cardinal Cross that begins to reach its climax on the 23 of April, exactly 7 days after the 1st blood Moon, will be 13 degrees from the subsequent Mazzaroth signs. Thus for example as Mars is in Virgo, 13 degrees on the Sun's ecliptic path would be in Libra; 13 degrees from Pluto's alignment would be Capricorn and etc. The reason it is also called the cardinal Cross is that this 13 degree demarcation happens to fall precisely on the Cardinal points of the Heavens with is Libra, Capricorn, Aires, and Gemini. Thus the number 13 at this place in time in the history of humanity and Israel in particular is very significant and possibly will speak as to the characteristics of this possible change to come.

A celestial 'cross' is observed when the 4 key heavenly bodies are said to be 'Squared' to each other. The mere fact that the Cross alignment occurs dead center in-between the start of the Tetrad 1st Blood Moon and its accompanying solar eclipse is statistically against the odds to be a random coincidence as some would have it be. Exactly in-between the 1st Blood Moon of the Tetrad on April 15, 2014 and the accompanying Partial Solar Eclipse of April 29, 2014 is when the Cardinal Cross configuration will occur. This is not to be confused with a Grand Cross alignment.

Cardinal Crosses occur frequently but was it interesting and spectacular is that for the first time in a cycle of the Precession of the Equinox, spanning nearly ~26,000 years, the Cardinal Cross will align with the Grand Cross. So is this Tetrad significant or not? Other factors are enhancing this 'Sign' and period of time as Mars –the god of War and Pluto –the god of Death are in Retrograde. The retrograde of Mars also occurred during the prior prophetic Tetrads of 1949-50 and 1967-68 when the Blood Moons occurred on Passover and Sukkot.

To have a context and general understanding of the mechanism of a Cardinal Cross, several points will be presented to have a better understanding of what is occurring during this time. There are fixed crosses in the heavens like the Southern Cross in the Mazzaroth sign of Centaur for example. As it pertains to the planets, a 'Cross' occurs when 4 planets are at 90 degrees to each other, that is 'squared' and approximate a 'cross' alignment. This Cardinal Cross began its slow movement of planetary alignments on Christmas Eve 2013 and will reach its zenith 7 days after Passover on April 22/23, 2014.

Biblically speaking the 4 Celestial Points correspond to the 4 Galactic Signs of the Mazzaroth. They depict the multi-faceted nature of the Messiah, Jesus Christ and His work of redemption on the part of a fallen Humanity.

GOSPEL	CREATURE	ARCHETYPE	CHARACTERISTIC
<i>Matthew</i>	<i>Lion</i>	<i>KING</i>	<i>King of the Jews from the Tribe of the Lion of Judah</i>
<i>Mark</i>	<i>Bull</i>	<i>SERVENT</i>	<i>Lowly servant to carry the burden of sin.</i>
<i>Luke</i>	<i>Man</i>	<i>HUMAN</i>	<i>GOD-MAN, the incarnate Creator.</i>
<i>John</i>	<i>Eagle</i>	<i>GOD</i>	<i>WORD of GOD. The Almighty.</i>

The Meaning of Numbers: The Number 13

This study suggests that the Creator, at this point in time has chosen the start the Tetrad as a message of change within the context of the meaning of 13 since the Cardinal Cross is at the 13th degree marker on the Mazzaroth. The number 13 in itself is neither good nor evil as any number is merely ascribed an attribute and represents a count. According to BibleStudy.com though, the meaning of the number 13 is symbolic of rebellion and lawlessness. It is attributed to the rise of Nimrod, a type of the coming AntiChrist that as Nimrod, will seek to be the mighty hunter (Orion) 'before the Lord'. This literally means that he tried to take the place of God according to Genesis 10:9. In essence, Nimrod wanted to be 'christ' just like the sinful nature of Lucifer as an 'anointed cherub' was a little 'christ'. Also Nimrod was the 13th in Ham's line who was one of Noah's 3 sons who survived the Flood.

The number 13 represents government created by men, but inspired by Lucifer, in rebellion against YHWH. In other aspects, the phrase 'valley of Hinnom' occurs 13 times in the Bible. This valley was where abortions were performed to the pagan god Molech. Molech was appeased and worshipped through the sacrifice of newborns that were placed on the red hot arms of the idol to be burned alive for fuel. Lastly, the dragon, a symbol for Lucifer the 'Shining Serpent' is found 13 times in the Book of Revelation.

Astronomical Definitions

When planets are opposite each other in the heavens, they are said to be in opposition. Thus Mars is in opposition to Uranus and Pluto is in opposition to Jupiter during this Cross alignment. When the planets are in opposition, most likely they will be at an approximate 90° angle to each other, thus this positioning is called Squared. The 4 planets that make up the Cardinal 'Cross' are Mars-Pluto-Uranus and Jupiter. The following table depicts how they are associated to the Cardinal Points.

<i>Planet</i>	<i>in Sign</i>	<i>Degree</i>	<i>to Cardinal Sign</i>
<i>Mars</i>	<i>Virgo</i>	<i>13</i>	<i>Libra</i>
<i>Pluto</i>	<i>Sagittarius</i>	<i>13</i>	<i>Capricorn</i>
<i>Uranus</i>	<i>Pisces</i>	<i>13</i>	<i>Aries</i>
<i>Jupiter</i>	<i>Gemini</i>	<i>13</i>	<i>Cancer</i>

The Ark of Deliverance

The purpose of this study has been to illustrate the occurrence of the very unique celestial alignment of planets in the solar system. Mars-Pluto-Jupiter-Uranus will be squared with each other to construct a 'Cross' alignment called the Cardinal Cross. While many astronomers and astrologers are as excited as are some Christians about the start of the 4 total lunar eclipses called the Blood Moons, many others are sounding the alarm that perhaps this Tetrad and the subsequent alignments are alluding to a 'doom and gloom' scenario.

Others are claiming that many in the religious community, to include Evangelical Christians as superstitious for such a notion. What most will miss in observing this celestial alignment is the backside depiction the Cardinal Cross is actually demarking. Upon an observation using the Stereographic view of the Solar System, it can be easily ascertained that the message of the Cardinal Cross is alluding to the Ark, the Celestial Boat that is built for the deliverance of the pilgrims according to the work of E.W. Bullinger in his research entitled, the Witness of the Stars.

Metaphorically and Biblically speaking, the Ark is ready to be boarded. This study strongly suggests that the Cardinal Cross is demarking the focal point which emphasis Argo or the Ark. Such Signs by YHWH are perhaps meant to be taken notice of during this celestial Sign of the Tetrad and Cross in the Heavens that are perhaps a 'Call' that a turning point is about to occur in the word and that the Ark is about to depart with the Church. Perhaps the time of the Tetrad or soon thereafter will witness this change and 'departing' scenario. The Rapture of the Church could occur as a reverse type of how the world was removed from Noah as the Church is removed from the world.

If the message and timing of the Tetrad of 2014-15 and the Cardinal Cross are that of death, change, judgment, a turning point and departure, it would line up with what many who study End Times are interpreting from the Bible is to take place per the Books of Daniel and Revelation. After all, the Cross of Calvary on which Messiah was crucified was that of death, judgment and a turning point in human history occurred because of it.

Jesus Christ's sacrifice on that Cross, as He was suspended between Heaven and Earth meant mercy, forgiveness, liberty and eternal life for those that took heed of the Sign of Jonah and have placed their trust and faith in the Risen Savior Jesus Christ who will one day personally escort His Bride to Glory to protect her in the Hidden Chambers or Ark until His wrath upon the world and AntiChrist will pass.

As the Creator has fashioned the Sun, Moon and Stars for signs and appointments, so too has the schedule of when certain alignments are to occur and perhaps to alert to the pending fulfillment of what it is being highlighted in the heavens. If this is a Sign from GOD, then the Ark of Deliverance is completed and perhaps there is a Final Call to enter the Ark as the Door is about to be shut -pending a world-wide judgment to come. The Cardinal or celestial door to this Ark is shutting and perhaps is the 'Final Call' metaphorically speaking. Don't miss the boat.
