

Hi Friends,

My name is Pascale and I am a camp coach at Jump! North. I have been a coach for the past 2 years, but I just started at Jump! I am super excited! I have been doing gymnastics since I could walk, and I love the sport so much. I love sharing my passion for the sport and teaching it to others. I have lived in Austin for the past 7 years and before that I lived in New Jersey. I just graduated from Anderson Highschool and will be going to Rhodes

College in the fall! I cannot wait to see everyone's beautiful faces!
