What is Bailey's Barrel Bonanza?

BBB is a race that really aims at showcasing youth and up in coming riders. The belief is that the children are our future and their hard work and determination should be celebrated. All classes have a chance to compete for a custom saddles among many other various awards including Buckles and Tack sets.

In 2016 over 1000 riders participated in this race.

This three day event of barrel racing is for all ages and levels of riders and spectators alike. A Kids Movie night is offered after the Pee Wee class. Saturday night following the open classes, there is a Men's Calcutta race where spectators can bet on their favorite rider. Families can shop and eat at the vendors, play in the dunk tank and swim at the local swimming hole.

Promotes Local community

Every year the BBB has a fundraiser that raises money for local organizations. Last year the painted hat auction raised over \$2,000 for ROOF Rochester Organization of Families. In 2015 before proceeds were donated to the K-9s for Thurston County

“What a great all around experience. Great facility. Extremely well organized and over the top nice awards.” Heather Marie

Kid's Movie night

Bailey's Barrel Bonanza was organized to be able to help afford people that are not always able to go to big races experience what it feels like to be part of something big and be able to win awards that the big races are able to offer. Its main focus was for our youth rider. For that reason we always want to put focus towards the kids and make them feel part of and make it an event for the whole family.

With this Sponsorship you are helping youth, peewee, senior and any other horse lovers fulfill their dreams in competing in an equine event that has low fees so anyone at any level can compete.

Any Monetary donation of your choice

I feel it's important in our community that we give all riders a chance to be able to compete and be able to win top awards that you don't have to pay big fees or travel far distances. That you can do it in your hometown. We would like to make Bailey's Barrel Bonanza one of the destinations for barrel racing once a year
We would appreciate any and all donations of any amount to help this race be successful. The little hometown of Rochester would like to make this community a family fun environment!
