

Celebrating History of India

The Gujarati Association of Manasota and the Indian American Association of Manatee & Sarasota are proud to announce the annual IndiaFest of Manasota; at the spacious and centrally located Bradenton Area Convention Center.

This festival promises to entertain and bring awareness of the Indian culture and heritage to visitors. The event will be marketed in local newspapers, magazines, and high-traffic business venues. Based on previous 3 year's attendance figures, we estimate over 4,000 total attendees throughout the day from Manatee, Sarasota, Pinellas, Hillsborough, Hardee, Charlotte and Desoto counties.

Event activities include 2 cultural program stage presentations (afternoon and evening), an exhibition of Indian culture, art, and history, as well as interactive displays highlighting Indian life and traditions.

This is your opportunity to be a part of the 2016 IndiaFest of Manasota by becoming an event sponsor. Several Sponsorship Levels are available. Please see attached application.

The Gujarati Association of Manasota is a qualified 501-C(3) entity, and sponsorships amounts are tax deductible. Contact the IndiaFest Organizing Committee for more information.

IndiaFest 2016 will also publish souvenir booklet containing event related information. The souvenir will include paid advertisements from sponsors and vendors. Please inquire about souvenir advertisement opportunities.
