Food & Beverage Minimum: A Food & Beverage minimum is required for all events. To avoid paying additional room rental charges, the combined food and beverages revenues generated at your event must meet or exceed the contracted food and beverage minimum, exclusive of tax and service charge.

Tax Exempt Status: If your group is tax exempt, we are required by the state of Minnesota to receive a copy of your Minnesota State Sales Tax Exempt Certificate and number issued by the Revenue Department with your signed contract. If proof of exemption is not provided with your signed contract, PINZ will charge all applicable taxes. Exemption is not on food & beverage, but on services only.

Guarantees: Final menu selections should be submitted 5 business days prior to each function to ensure availability of the desired menu items. Guaranteed guest counts are required by 10:00 am no later than 5 business days prior to your event. This is the minimum number of people for which you will be charged. This number cannot be lowered after it is given without approval of the Sales Manager. If no guarantee is received, PINZ will prepare and charge for the highest number of persons estimated on the Banquet Event Order.

Billing: We require a valid credit card at the time the contract is signed with PINZ. An estimated bill will be presented for pre-payment on all social functions. Payments may be made in the form of personal checks (No later than two weeks prior to event), cash, or a cashier's check. Payment at the end of the function can be made in form of cash, cashier's check or an approved credit card. No personal checks will be accepted as a form of payment at the end of the function. If final payment of direct bill approval is not received prior to your function, PINZ reserves the right to cancel the entire event.
