**Concessions-** Committee met again, went well people liked safes in the stand, felt more confident. People were happy to take advantage of it. Decrease menu helped make it easier. No complaints about canned verses bottle pop. Diet pop expires quickly.

Menu price items will be raised.  
Seasonal stand managers will still get stiffens.  
Need more instruction sheets in the stand. More rep support to get more volunteers in the concession stands.

Hockey and Men's tennis mad a lot of money for working in the stands.  
Next steps- winter follow up meeting after that season for concessions. Make sure coaches are looped in for volunteer opportunities.

Scaled stiffened were 35% (\$40.00 highest pay out and \$12.00 minimum pay out).
