

Position Description:

Mental Health Resource Center, a comprehensive not-for-profit mental health and social services provider and Joint Commission accredited organization, is currently seeking a **Crisis Clinician** for our Co-Responder Program.

As a co-responder with the Jacksonville Sheriff's Office (JSO), the Crisis Clinician will work directly with a JSO law enforcement partner to provide crisis de-escalation, intervention, assessment, and linkage to appropriate services to ensure disposition of mental health calls and crisis responses are to the least restrictive community-based services.

Duties include but are not limited to:

- Assist law enforcement whenever they come into contact with an individual suspected of having a mental illness or substance abuse disorder.
- Provide short-term interventions to reduce symptoms and stabilize the immediate situation.
- Assess individual risk for danger to self, danger to others, and other safety related concerns and responds accordingly.
- Develop a clinically sound safety plan in the least restrictive setting.
- Develop a collaborative crisis plan that meets the needs of the individual and law enforcement.
- Assess and monitor for symptoms of trauma and indications of abuse, neglect, and/or abandonment. Use appropriate reporting mechanisms.
- Offer effective interventions to assist in coordinating services.
- Interviews natural supports to gather relevant information and provide information as needed.
- Prevent unnecessary hospitalizations or Emergency Department (ED) use of individuals with mental illness or substance abuse.
- Determine when to involve medical personnel when medical safety is identified as an issue.
- Assist with linkage to appropriate mental health, substance abuse, and medical providers as appropriate.
- Work closely with law enforcement and crisis intervention personnel to problem solve complex situations and develop plans for immediate and appropriate interventions.
- Collaborate with other community agencies to address immediate individual needs.
- Encourage the establishment and maintenance of support systems.
- Collaborate with other providers to access needed services.
- Conduct follow up visits with high risk individuals.
- Refer to and coordinate necessary psychiatric evaluation and medication management to ensure access to stabilization services.
- Provide education to individuals on their illness and, if on medication, the necessity of taking the medication as prescribed to reduce symptoms.
- Participate in inter-agency team staffings to discuss challenging situations.
- Respond to referrals received from other JSO officers after an encounter and follow up with the identified individuals.

- Follow direction from law enforcement partner and other JSO officers regarding on-scene safety immediately and without hesitation.
- Complete and sign professional certificates for involuntary examinations in accordance with the Baker Act. (Licensed Staff only)
