

rareESSENCE®
AROMATHERAPY

ROLL-ONS AND INHALERS

Aromatherapy on the Go!

Roll-ons: Topical application is a very effective way to experience aromatherapy with these 100% pure essential oils in organic jojoba oil.

Inhalers: Unique 100% pure essential oil blends in handy inhaler created by our certified aromatherapists to benefit the mind, body and spirit.

Convenient size fits in a pocket or purse so relief is always at your fingertips.
