

Exciting Events at the Workshop!

THE SCIENCE OF BIKES

Friday, July 12, 5:30-7:30pm

Fee: \$5/person

Find out how bicycles work and how your body works when you ride one! Learn how to maintain your bike if something breaks, and check out the unusual bikes that will be on display. The Professor's good friends from The Bike Shop will be around to give out certificates from the Science of Bikes Maintenance Clinic and can answer any possible questions you can throw at them about bike safety, the art of bike racing, and anything else you can think of! Be sure to meet and get a picture with our special guest!!!

KIDS ONLY CLUB

Ages: 5-11ish

Kids Only Club events are drop off sessions for children only, where we do lots of fun science stuff and YOU get to have a couple of hours to yourself! Pre-registration is suggested. Be sure to register early, as space is limited. Call 951-308-6376 for more information and to register.

APOLLO 11 MOON LANDING PARTY

Saturday, July 20, All Sessions

Fee: \$5/person

Help us celebrate the 50th anniversary of man first walking on the moon! We'll have lots of moon-related fun and you may even learn things you didn't know...like the number of humans who have walked on the moon (12), and the number of humans who have visited the moon (24).

Astronaut Explorer Lab

Friday, July 19, 3-5pm OR 5:30-7:30pm

Fee: \$25/person

You'll feel like you're becoming a real astronaut when you start doing science like packing a space telescope, discovering impact craters, playing the Mars Rover game, making an electroscope, and messing around with other space-oriented experiments. This is a drop-off event for kids only and pre-registration is required.

Scientist-in-Training Lab

Friday, August 2, 3-5pm OR 5:30-7:30pm

Fee: \$30/person (includes lab gear)

Ok, you like to watch experiments, but don't you also like to DO them? Well, you need some special instructions if you want to be scientists like the Professor's Assistants! We'll have to be sure you have a lab coat and goggles, and then the fun will begin!! (Parents, you'll want to take pictures when you pick them up!) This is a drop-off event for kids only and pre-registration is required.

SAVE THE DATE: SANTA ARRIVES!!

Friday, November 29, 6pm

The excitement builds as we wait for Santa's arrival at 6pm...how will he get here? The Professor lets his old friend borrow his comfy, cozy cottage just so you can visit with him in an old-fashioned, non-commercial setting. Pennypickle's Workshop will be open from 10am-9pm on this special day, and Santa will entertain visitors until 9pm.

BEAKER'S LITTLE BIRTHDAY

Sunday, August 4 - All Sessions

Fee: \$5/person over 24 months

The Professor has a huge birthday bash, but Beaker is more comfortable with a miniature birthday party... and that means LITTLE. Join us for some teeny tiny fun and surprises as we wish Beaker a happy birthday!

SCIENCE GEEK PARTY

Friday, September 13, 5:30-7:30pm

Fee: \$5/person

Science geeks rule! Show your best nerdy self by dressing in geek-style and doing science. Lab coats, wacky glasses, and goggles are available in the gift shop to inspire you. All ages welcome!

PHINEAS' COSPLAY-ANIME MEET-UP

Friday, October 25, 5:30-7:30pm

Fee: \$10/person

Fulfill your comic book and science fiction dress-up fandom at the Workshop tonight! We'll take and post pictures of the most uniquely dressed characters... don't forget how much the Professor loves steampunk, Sherlock Holmes, Dr. Who, etc...All ages are welcome to show up, dress up, and meet up!

Have your Party at the Professor's House!

With the Professor's and Beaker's help, you are bound to have an unforgettably fun celebration! Call 951-308-6376 for more information and to reserve your party today!
