Thank you all !

The Alexandria Service Club wish to thank **Absco Scales** for donating the Hartford Fair Hog they bought at auction to our sausage/pancake breakfast last year.

This spring the United Methodist Church Archives presented the Alexandria United Methodist Church an award for it's 177 years of service to our Lord.

During the 177 years, 86 pastors have served the Church and community. The first circuit riders traveled this area between 1800-1812. But, in 1812 Elisha Bowman became the first ordained minister to establish a church in Alexandria.

Since then, the Church has been very involved in mission through the Ladies Aid Society and now the United Methodist Women. Currently, a community food pantry is operated out of the church building.

Presently, Rev. Jerry Grimes serves as pastor and is continuing in our tradition of ministry to the community and the world. With two youth groups in operation in the Church, we see the future in creating an atmosphere for children and familys to grow. In May 1989, our Senior High Youth spent several days on a trip to New York City, visiting several mission sights.

The Alexandria Service Club in the past few years has been having to pay more and more money to obtain insurance for all the functions the club has. For the club to continue with this endeavor of supporting these organizations we desperately need new members from these organizations that we support. It would be easier for the function to come about. If anyone would like to join the Service Club please feel free to ask one of the Service Club members at Fun Days.

Sincerely,
Alexandria Service Club

I would like to thank all the people that helped with Fun Days this year. Especially the people that is not members of the Service Club that worked and baked pies.
