

# Swanson, Granmoe Represent Agates at State

By John Sandstrom

The Agate track team was represented by two runners at the State Track meet which was held last week at St. Michael - Albertville High School.

Isaac Swanson qualified for his fourth state meet and placed seventh in the 800 meter run with a time of 1:58.78, which was just off his personal record set the previous week in the Section 7A finals. Swanson shared his thoughts: "It was a great atmosphere. There were tons of people lined up supporting the runners and it was very exciting. It wasn't too hot or humid, so it was a great day to run. All in all, I was happy with my race. It was fun and I wasn't nervous. This was the first time I ran this race in the State meet".

When asked which of his trips to State was the most memorable, the recent graduate said, "This was great, but I'd probably say it was my trip to State when I was a sophomore. Our 4 x 800 relay placed sixth that year. It was special to be part of a relay and you can celebrate with your teammates".

Matson Granmoe didn't just qualify in one event. He won both the 100 meter dash and the 200 meter dash in the Section 7A meet. Matson, who had experienced a torn ACL only two years earlier, set career best times of 11.50 in the one hundred and 23.60 in the two hundred. "Making it to State was a big deal for me. I was proud and really excited. It was an amazing atmosphere."

When asked if he was happy with his

traces, Granmoe said, "It wasn't as hot as I had feared, but I wish I had hydrated even more. I am very satisfied with two personal records".

Matson, who will be a senior this upcoming year, is already excited for next year's season.
