

Belbroughton and Fairfield Parish Council

Procedures for actions following death of a Senior National figure.

Worcs. Diocese Position:

"I know that there are national plans in place and as soon as an announcement is made, they will be sent out. It will include suggested service plans/ special prayers/ advice about flags & bells/ suggestions of books of condolence and all those kind of things.

Nothing is allowed to be communicated until then as things may change depending on the circumstances, but I've been assured that churches will have everything they need when the time comes!

That may not help if you're putting together joint plans, but as a PCC you might want to think about whether you want a book of condolence and let the parish council know that you'll be using special prayers/ liturgy on the Sunday afterwards..."
