PRESIDENT'S MESSAGE

By Patrick D. Harris

RECRUIT A NEW MEMBER IN 2023

In December you will be receiving your 2023 dues Renewal Notice from the Richmond Navy League Council. We hope that you will renew your commitment so that we can continue to support the Sea Services, Youth programs and other activities. Unfortunately, like many other non-profit organizations, our membership has been declining. We currently have 200 members. We would like to increase our membership by 50 new members during the coming year. That is an ambitious goal but if every member would recruit just one new member, we would double our membership.

New members bring additional funding resources but more importantly they also bring a variety of experiences and interests that can help advance the mission of the Navy League. More members will also provide us a larger pool of individuals to support our events and

activities.

A trip to the Blue Angels Air Show or a portside visit to one of our adopted ships are likely to be first time experiences for most new members.

A list of many of the events that we have planned for 2023 is listed below. Included in this agenda are new events and activities and others that we have not supported for many years including a trip to the new National Museum of the Army at Fort Belvoir in February. We are also reaching out to our four adopted ships to see if we can schedule some cruises or portside visits.

If you have any suggestions to recruit new members or other ideas to boost the Navy League, please share them with me or any other Board member. We look forward to your continued support and involvement in the Richmond Navy League Council in 2023. ✍

THE PROMISE

Before the foundation of the Earth, God developed His plan for His people:

Your eyes saw my unformed body, all the days ordained for me were written in your book before one of them came to be. (Psalm 139: 16)

He also said through the Prophet Jeremiah:

For I know the plans (purpose) I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future (destiny). (Jeremiah 29:11)

God's plan was to give His people the freedom to choose, but He hoped that they would choose to follow His way. *It didn't take long before His people were deceived and chose evil.* (Genesis 3)

God then formed a plan to redeem His people. *This plan began with God making a promise to a man named Abram.* As a result of that promise, His name was changed to Abraham, mean-

As we celebrate the birth of Christ this Christmas, let us realize that the plan that God developed before the foundation of the Earth was that we all, like Abraham, receive a call from God to fulfill the purpose/destiny for which we were created. *When we lose our way, we need to consult the One Who created us, and He will get us back on the path of His way.*

National Museum of the U.S. ARMY Ft. Belvoir, VA continued from front page

The construction and maintenance of a national museum of this scale was and is a massive undertaking. The Museum is a joint effort between the U.S. Army and the nonprofit, [The Army Historical Foundation](#). The U.S. Army designated the Army Historical Foundation as the official fundraiser to support the building's construction on federal land—an 84-acre site at Fort Belvoir, Va.

While a joint construction effort, the U.S. Army now owns and operates the Museum. The Foundation will continue its fundraising role in support of Museum programs and will manage all retail, catering and special event services.

The National Museum of the United States Army is open to the public. Free, timed-entry tickets are required for entry and are available through the Museum's website, [theNMUSA.org](#). Group Tickets for 10 people or more are now available and can be requested online. The Army Historical Foundation supports the Museum's ticketing reservations for larger groups and organizations.

For more information about the museum, visit their website at: <https://www.thenmusa.org/>.

Our bus will leave Richmond at 8:30 AM & will leave Ft Belvoir at 2:30 PM. Beverages and snacks will be provided during the to and from bus trip. Lunch is available individually at the Army Museum Café. ✍

ADOPTED SHIPS UPDATE

(Note: these reports may be edited to fit space available)

USS NORMANDY (CG-60)
CO: CAPT Simon Charles McKeon
XO: CDR Anthony T. Bryant
CMC: CMDCM William Palmer

George L. Feitig, Jr., Liaison

USS NORMANDY recently returned from deployment with the **USS GERALD R. FORD** Carrier Strike Group. Report pending. ✍

USS CARTER HALL (LSD-50)
CO: CDR Brad A. Fancher
XO: CDR Steven E. Grey
CMC: CMDCM Adam Singleton

Report from Pat Robson, Liaison

After nearly a month at sea, **USS CARTER HALL** is back in port at Joint Expeditionary Base (JEB), Little Creek, VA. The ship is currently in Continuous Maintenance Availability (CMAV) to prepare for a deployment in the summer of 2023.

While in port, new crew members attended the Security Reaction Force-Bravo (SRF-B) to qualify as watch standers. ✍

USS GRAVELY (DDG-107)
CO: CDR Hunter D. Washburn
XO: CDR Brian C. Sanchez
CMC: CMDCM Dion C. Dupree

Patrick D. Harris, Liaison

It's been a busy yet exciting time for **GRAVELY!** We are in the sustainment phase and are prepared to get underway at a moment's notice. Recently, the crew went on a two-week long underway. It was a great opportunity to go

back out to sea and conduct special evolutions such as flight quarters. The **GRAVELY** crew welcomed and collaborated with Helicopter Maritime Strike Squadron (HSM) 74, the World Famous Swamp Foxes for initial integration exercises.

Thanks to the hard work and efforts of **GRAVELY** and HSM 74, flight operations were a huge success!

During this two-week underway, the crew was able to enjoy a weekend in Mayport, Florida where **GRAVELY's** Chief Pinning Ceremony was held! Families and friends alike gathered with the crew to celebrate the induction of **GRAVELY's** nine newest Chiefs.

The crew has successfully completed their RE-2 (Ready-2) inspection and will shortly be undergoing The Board of Inspection and Survey (INSURV) material assessment. **GRAVELY's** crew is more than ready to show off all of her greatness and the truth that stands behind her motto, "First to Conquer!"

Because of readers like you, the crew is constantly reminded of the importance behind their grind on the deck plates. Thank you so much for the encouragement that you provide for us and we look forward to continuing showing you what **GRAVELY** is all about!

USCGC NORTHLAND (WMEC 904)
CO: CDR Andrew Dennyly
XO: LCDR Elizabeth Tufts
COB: MKC Alan Kinney

Thomas T. Hassell, Jr., Liaison
Vaughan F. Dize, Assistant Liaison

Greetings from **USCGC NORTHLAND!**

The majority of our patrol has been spent patrolling the Windward Passage, providing deterrence for unsafe illegal immigration ventures. However, *Northland* was also tasked by Coast Guard 7th District to serve as a stabilizing security presence in Port au Prince Bay, just outside the Haitian capital of Port Au Prince. This was an unusual

operation for us, and one that was closely coordinated with the Haitian government, the U. S. Embassy in Port au Prince, and higher levels of both Coast Guard and Department of State leadership. **NORTHLAND'S** presence served as a sign of U.S. solidarity with the Haitian people amid the recent political and social instability.

After concluding operations in Port Au Prince, **NORTHLAND** steamed north to resume presence in Windward Pass. Over the course of several weeks, we stayed very busy in the operational area, carrying out both operations and training. **NORTHLAND** conducted a towing exercise with **USCGC BERNARD C. WEBBER (WPC-1101)**, which involved extensive coordination with the deck team, bridge watch, and the **CGC BERNARD C. WEBBER** crew. We were fortunate to have great weather conditions that day, and conducted a successful towing evolution; highly important for maintaining proficiency. **NORTHLAND** also exercised the 76MM "big gun" and .50 caliber machine guns for three live fire exercises, again for crew training; also conducted a plethora of drills to include small boat trainings, man-overboard, damage control, and steering casualty among others. Finally, one dark and stormy night, **NORTHLAND** spotted a small sailing vessel underway in heavy seas, and escorted the vessel to safety.

Despite the tropical Caribbean weather, and many, many changes to the patrol plan, **NORTHLAND's** Morale team did a great job, and the crew was still able to enjoy some fall festivities. Whenever we had a break in the action, **NORTHLAND** celebrated the fall season with fake pumpkin carvings, trick-or-treating, family game nights, a Halloween costume contest, flannel shirt day, and other events.

On November 14, **NORTHLAND** will return to USCG Base Portsmouth and to our family, friends and loved ones. The crew is very much looking forward to spending this holiday season at home with friends and family. As we close the chapter on this patrol, we would like to thank the Richmond Navy League for your continued support. Until next time, fair winds and following seas! ✍
