This year will be our ninth season offering shares in the Clear Brook Farm Winter Community Sponsored Agriculture (CSA) program. The Winter CSA pickups start the week of October 3 (the first Thursday pickup is on Oct. 6) and go through December. No pickup the week of Thanksgiving or Christmas. The week prior to the holidays 1.5 shares will be provided. During the CSA you will be getting 11 shares of value in 10 pickups.

We offer Thursday pickups at the farm and Battenkill Books in Cambridge, NY. Our Saturday pickups are at the farm and the First Congregational Church in Manchester across from the Equinox Hotel.

**** Pickups will be weekly starting Thursday Oct. 6, and Saturday Oct. 8 through December 17.**

**** If you will miss a pick-up please let us know by Tuesday of that week so we can plan accordingly.**

**** Weekly emails are sent out with the week's veggie list, plus recipes and general info so you stay connected to what is going on around the farm.**

**** There will be various offerings (cheese, yogurt, meat, etc...) from local farms for sale at pickups on farm.**
