BATTING FOR SALE

I'd like to know if any of your members would be interested in using wool batting. I have our own organic, virgin dorset quilt batting, professionally cleaned and batted by Zeilinger Wool Co. They make great three season quilts as well as mattress pads, pillows and could be stretched to use for art quilting. They measure 45" by 90". Only eight are available at \$20 each. I live locally and can bring them to you for inspection and delivery.
