Dear Parents,

The new year is almost here! This year sure has gone by quickly. The children are another year older and we are proud of each and every one of them!!

This December we have a couple of activities planned that you as parents do not want to miss! The first is an ugly Christmas sweater day on December 20<sup>th</sup>. Our teachers claim to have some of the tackiest Christmas sweaters around. However, grandparents are known for the crazy clothing they gift to their grandchildren each year... Please remind your children to wear their showiest threads!! We will also have our annual classroom Christmas parties for each class. Please look for the snack signup sheets on each classroom door.

November was filled with showing thanks; This December let's focus on helping others! If you know a family or friend with a special need, please inform the front office and we will try to find a way to help!
