

# October 2019 Newsletter

**AGM**  
ANNUAL GENERAL MEETING

Our AGM is scheduled for Thursday 17<sup>th</sup> October at 8.15pm. It is **really important** that as many parents as possible attend, so many preschools around us are closing, it is essential to have your support.

## Breakfast & Twilight Clubs

Both these clubs are proving to be popular. They can be booked on an ad-hoc basis as long as we have 24 hours notice. This will hopefully be especially helpful with late afternoon appointments, sibling clubs and the run up to Christmas. We will be doing a special Halloween week at Twilight with fun activities and popcorn and movie night.

## Child's progress meetings to be held with your child's keyperson

w/c 11<sup>th</sup> Nov - appointments to be made nearer the time

## Sponsored Tub Fill

This half-term we will be sending a margarine tub home with a coloured sticker. The aim is for your child to be sponsored to find items (no pictures) of things which are that colour. The child with the most items in the Nursery and Lions Class will receive a prize. Great fun for you and your child to do together over the half-term and to raise vital funds for the preschool.

## Recycling

The children have been learning about recycling and have also been involved in recycling the rubbish at snack and lunch times by placing packaging into different baskets. As part of the preschool recycling, we are collecting empty crisp packets for Air Ambulance and they are able to use the crisp packets to raise vital funds to support their life-saving work. If you would like to help us support this wonderful charity then please bring in any used crisp packets (including the outer packaging for multipacks) and place them in the collection box in the foyer so that we can send them on

## Stocking Presents

- The children will be making reindeer food to sell so that Rudolph and fellow reindeers can find their home on Christmas Night.
- 2020 Calendars of your child at play in preschool will be available to purchase
- Playdoh kits will be handmade for you to purchase, a complete set of ingredients together with a cutter

## Tummy Bugs & Sickness

Tummy bugs are so infectious, please be considerate and ensure that your child is clear from sickness/diarrhoea for 48 hours before returning to pre-school.

## Santa Letters

We will once again be creating a magical letter from Father Christmas for your child and/or siblings. We have been creating these letters for many years and make it completely personal to your child, we know other companies offer this service but hopefully you will notice the difference. Letters cost £5 each and will be posted to your child/children in December. Forms available soon or on request.

30<sup>th</sup> Sept is E, followed by F and G with H after Half-term
