

Thank you very much to all of you who participated in our fundraiser last month. Our profit from the fundraising project was \$2211.00, which also includes some individual donations. Thank you so much for your support and we are looking at 2 different projects to improve our playground outdoors. We are thrilled with our profit and deeply appreciate all your efforts.

We will be having a Thanksgiving Feast on Friday, November 16, at 11:30 A.M. We will be making "Stone Soup" and having the children bring in a particular vegetable during the days before November 16. You will be receiving a note letting you know what to bring. We'll be making the soup beginning on Wednesday, the 14th, so we must have the vegetables by Tuesday, November 13, but the sooner the better, of course. We will be having a sign-up list for other items that we'll need for our potluck/feast. We invite all our parents to join us for a family get together and other family members are welcome to attend. If you are unable to attend, please have a relative or friend come to share lunch with your child. If your child does not normally attend on Fridays, please come at 11:30 to join the fun.

PLEASE MARK ALL COATS, JACKETS, SWEATSHIRTS, & SWEATER'S WITH YOUR CHILD'S NAME!!

Check out our book order forms, there are a lot of Holiday books to order and a good selection to choose from. Checks are to be made out to Scholastic Books.

Be sure your child has a nutritious lunch and please pack a variety so your child does not get tired of eating the same thing every day!
