

JULIE ANDRULONIS DUTTINE CLASS '93

Julie RN,BSN, OGN. She loved Brentwood. Julie started with PALS before going to Elroy and then to Brentwood Jr./Sr. High. She was involved with the community through cheerleading, girl scouts Brentwood Dukes as well as numerous activities.

She was married to Joe Duttine for 8 years. Her proudest accomplishments included her 2 Sons, Joey and Jaden. When Jaden was 2 he was diagnosed with Neuroblastoma Cancer. Jaden is now cancer free but still gets monitored.

While Jaden battled cancer, so did Julie. She was diagnosed with Adenoid Cystic Carcinoma. Since Oncology was her profession, she researched and tried to eradicate this monster. Julie eventually passed away at age 36.

For years Julie's many friends helped the family with this nightmare and would like to continue for the boys education. Now they continue to extend endless energy into Drop the Puck on Cancer to help many other Brentwood Families battle cancer.
