- Tuition is based on the number of classes held in the school year. Monthly payments are due the first of the month, 10 equal monthly payments will be spread out throughout the school year from August to May, having August 2023 and June 2024 being one month and charged upon registration due to each month having about 2 weeks of classes. No monthly invoices/bills are sent. To avoid a late fee of \$25.00 tuition MUST be paid no later than the 5th of each month. After the 5th there is a late fee charge of \$25.00.
- A credit card number will be required and placed on file at the time of registration. Automatic payment of tuition by credit card each month is possible upon request.
- The credit card will be charged after the 5th, if tuition hasn't been paid to avoid late fees. Please note that an additional \$5.00 processing fee will be applied to all credit card charges and transactions.
- If a student discontinues attending classes before the end of the school year, or stops attending classes for a while and comes back within the same School year, you agree to give us a full month notice prior to discontinuing classes, if you do not give us a full month notice, tuition will be due for the said month.
- If a student discontinues attending classes before the end of the school year, one full month tuition/cancellation fee will be due and/or charged. You may also notify us one month before discontinuing classes and keep attending classes paid for during said month.
- There is no refund or tuition adjustment for missed classes. Classes may be made up within the following month on another day. Talk to the office staff when making up classes.
- There is no child supervision provided outside of class hours. Students will need to be picked up no later than 15 minutes after classes.
