

Be Kind.

ST. GREGORY CATHOLIC SCHOOL

Welcome to 5th grade!

What can you do this summer? Read. Practice math facts. Keep a journal. Read. Play. Read. Practice math facts. Swim. Read. Do some chores. Read. Practice math facts.

What don't you have to do this summer? A book report. That's right. We just want you to enjoy reading each day without the added stress of a project. Projects could be done for extra credit for those who are bored and have already completed the above list of summer work. There are great ideas for projects on-line. We are sure you will find one that is perfect just for you.

No doubt you will read hundreds of books this summer, but please refrain from reading:

- From the Mixed-Up Files of Mrs. Basil E. Frankweiler
- Mrs. Frisby and the Rats of NIMH
- Hatchet
- Tom Sawyer
- T. S. Arthur
- Pedro's Journal
- George Washington's Socks
- Tuck Everlasting

Fifth grade is going to be great! We hope you enjoy your summer. Come back rested and ready to learn!

Fifth grade ROCKS!
