Sheriff John Whetsel

OKLAHOMA COUNTY TRIAD

“KEEPING OUR SENIORS SAFE”

History has been made in Oklahoma County! Signing our TRAD Agreement was such an honor, I am so very proud to have the support of ALL Chiefs of Police within Oklahoma County. If you attended our Volunteer Appreciation Luncheon you had the privilege of meeting one of my great friends, Mr. Ed Hutchison, TRIAD Director for the National Sheriff's Association who flew in from Alexandria Virginia to attend our historic event. If you were not fortunate enough to attend, Deputy Lopez will be sharing our video memorabilia with each SALT Council next month. You will not want to miss this opportunity to look back at the last 20 years in TRIAD.

We are all busy gearing up for our Grandparents Raising Grandchildren Holiday Program and I understand Kim has been signing up volunteers for shopping and wrapping. Mitzi and I look forward to this program annually as well as our Christmas Party which is just around the corner.

We also look forward to seeing you again at Senior Awareness Day at North Park Mall, so bring a friend .

Sincerely,
Sheriff John Whetsel

*Pride in who we are
Professional in what we do*

TRIAD Family:

While driving home from our Volunteer Appreciation Luncheon, it finally hit me. The capacity of what just took place hit my realization with such huge proportions. I am so humbled by this opportunity to see this amazing national program come full circle. I am so moved at the overwhelming support from ALL our local law enforcement. I truly believe there are few people who are given the opportunity to see such a meaningful project from conception to 20 year anniversary re-commitment. I am once again reminded of how truly fortunate and blessed I am to have been given this amazing opportunity. I believe this speaks well of the outstanding leadership Oklahoma County has! I'm thankful for my superiors and was finally able to express my deep gratitude to Sheriff Whetsel. **THERE IS A GREAT DEAL TO BE SAID ABOUT KEEPING YOUR PROMISSES!** The ceremonial signing of our TRIAD Cooperative Agreement to renew the commitment as it was set in place 20 years ago is without a doubt the highlight of my 30 year law enforcement career. This was only one opportunity to thank you to our many TRIAD Senior SALT Council members for all you have done to volunteer to make each prevention project successful, it is your efforts that truly grow the Oklahoma County TRIAD Program.

As the Christmas Season unfolds we have so much to look forward to, and so much to be Thankful for. I speak to each of our valuable community partnerships, and each soul who volunteered, as well as our law enforcement family, my deepest gratitude is yours.

Respectfully,

Kim Lopez

Older Driver Safety Day

Our Older Driver Safety Day was a huge success as a packed house enjoyed good solid safe driving skills, emergency preparedness and all about who the Karma Police are!

It was a great day, with loads of laughs, solid instruction and our good friend Jerry Cason. Each senior attending received a new highway patrol quick dial list for the entire united states to place in their glove box.

When it comes to hats, you just can't top Odessa Ross!

Our Grandparents Raising Grandchildren Program has enjoyed warm winter knitted hats since 2014, all because of the diligent efforts of Odessa Ross. Odessa wishes to thank all the people who have donated yarn, and funds to purchase yarn. Odessa and her daughter Pam start in January and make 800 hats a year, bringing her total to date over three thousand hats!

We would like to thank these ladies for their selfless labors of love.

Hats off to Odessa and Pam and all who made these hats possible!
