FLASH!!! Our Club WILL have a booth at this year's glass show and sale on March 22-23! If you've been thinking about downsizing your glass collection, this is your chance. Our booth will be located in the hallway, and will consist of three 8-foot tables. As in the past, the club fee for members who wish to sell glass will be 10% of your profit from the show.

Jane Stacy has sent an email with the information about the booth and the contract to fill out if you participating. It was sent 3/6. Jane is asking for volunteers to help man the booth and for table clothes. Contact her or Glenn Plauche for more information.

Get well soon to all CCDGS members that are recovering from surgery and other illnesses! You are in our thoughts Vicki Hale, Byron Jacobs, Marty Goldstein, and Cheryl Walters!

Yard signs for the glass show will be given out the March CCDGS meeting. Please take a sign to put in your yard to advertise for the show!

Monthly Program

Right: Ron Broadbent proudly displays his collection. Left: Close up of the Peacock and Rose pattern

February's program was presented by Ron Broadbent who showed Peacock and Rose, one of his favorite patterns. Ron saw this pattern at a glass show and had to have it! The most popular colors in this pattern are pink and green and there are several patterns that are similar but more expensive and harder to find. Thanks, Ron, for a great presentation!
