

BCBA Position Announcement

JSS Behavioral Services is currently seeking Board Certified Behavior Analysts (BCBA) who are passionate about working with individuals with autism and their families. We are looking for applicants who are innovative, energetic, and team-oriented to join our interdisciplinary team of psychologists, counselors, social workers, and behavior analysts all working together “under one roof” to provide services in the greater Lowcountry area.

Essential Duties and Responsibilities of Board Certified Behavior Analyst (BCBA):

- Develop, implement, and maintain treatment plan
- Conduct behavioral assessments (VB-MAPP, ABLLS-R, EFL, PDDBI, Vineland, etc.)
- Track progress and analyze data to modify programming as needed
- Train register behavior technicians (RBT) in various ABA procedures
- Collaborate with providers, parents/caregivers, and schools on client’s treatment plan
- Maintain a clean, safe and organized work environment.
- Acquire and provide training on new technical knowledge in the ABA field
- Adhere to all company policies and procedures
- Overlap with mental health counselors for clinical parent training
- Hold Board Certified Behavior Analyst (BCBA) in good standing

All ABA Therapists at JSS Behavioral Services can receive exposure to:

- Diagnostic testing and assessments
- Clinical counseling of individuals and families with various diagnoses
- Behavioral Parent Training
- Sibling treatment and workshops
- Social Skills workshops and trainings
- Additional treatments and services provided at JSS Behavioral Services

Benefits:

- Competitive compensation
- Medical, Dental, Vision, and Hearing
- Professional Development Stipend
- 401(k)
- Many other!!!!

About JSS Behavioral Services:

JSS Behavioral Services is a multi-site psychological, counseling, and ABA practice serving children, adolescents, young adults and their families. At JSS Behavioral Services, we provide comprehensive psychological assessments and testing; evidence-based psychotherapy; Wraparound autism services; and outreach, training and consultation to schools, agencies and the community. We are a passionate and dynamic group; unique for our collaborative spirit and strict adherence to high-quality, evidence-based practice.
