What is the Hermosa Beach Murals Project?

It is a way for Hermosa Beach to join the other select cities throughout the nation in capturing its history and culture in pictures. Murals have the power to beautify buildings while documenting a city's rich history and culture through the professional work of talented artists.

Murals also become a destination point, a reason to visit a town which results in economic benefits. This is a way for Hermosa Beach to identify with what the city means to our residents, and to educate our youth and the public on the rich and eclectic history that makes Hermosa Beach a unique city. It is also a way to celebrate Hermosa Beach for many years to come.

140 Pier Ave. at Manhattan Ave.

1007 Hermosa Ave at 11th Court

Each town has a unique history with legends, pioneers, triumphs and tragedies. What a great way to share and learn about them through visual history lessons on walls. We are all Volunteers in our community.
