

The Grow Newberry Farmers Market (GNFM) has become a welcome tradition. We are excited about this venture and will build on its past success. We are excited to continue the mission *to provide an active, healthy gathering place for local vendors, producers, and patrons to buy, sell, and learn.*

In order for the Market to be successful, help is needed to fund the costs associated with running it; therefore, we are asking for your support to help fund the Grow Newberry Farmers Market. Sponsors and donations will help us demonstrate the strength of our community, foster sustainable economic development, and build stronger ties between the region's food producers and consumers.

Following are the various support levels, along with the sponsorship benefits. After taking time to consider these options, please return the completed form to us in the office, by post box, or e-mail. It takes a community to grow a farmers market. Would you consider being a **Friend of the Market?**

**Every Saturday from October 13 through November 17
9:00-11:00 a.m.
in Memorial Park, Downtown Newberry**

Why support your local farmers market? Several benefits include:

- Healthy produce, ready-made food products and crafts produced by local residents
- Income opportunities for farm, neighborhood craft, and food businesses
- A destination within our community for you, your friends, and your family to gather
- Our farmers' market builds community ties and encourages civic life, offering residents the opportunity to buy products directly from the producer.
